Out Of The Ashes Out Of The Ashes:

Out from the Ashes George Nielsen, 2003-01-29 This is a character study of a youngster who immigrated to the US shortly before its involvement in WWI and the progeny of that family His enlistment in the army resulted in a debilitating injury while serving overseas and was a factor in his later involvement in gambling as a means of earning a living His reputation as a straight arrow while involved with some gamblers in the Chicago area provided the impetus for his developing a casino in Las Vegas As the story unfolds it becomes obvious that there are some historical truths in evidence even though the characters are all fictional As this primary character lives out his life his progeny take over the role as the main character The historical development of Las Vegas as a gaming center is reviewed when each of the characters come into the picture

Beauty from Ashes Donna Sparks, 2018 In a transparent and powerful manner the author reveals how the Lord took her from the ashes of a life devastated by failed relationships and destructive behavior to bring her into a beautiful and powerful relationship with Him This book highlights God's ability to restore those who have failed and His desire to use those who struggle to see themselves as vessels worthy of the Lord's use After reading the author's testimony and encouraging words readers are left with no excuses for believing the Holy Spirit cannot empower and use them regardless of their past failures and existing apprehensions Foreword by Laura Lynn Tyler Thompson the host of 700 Club Canada WATCH THE AUTHOR VIDEO HERE Video Link <http://www.bridgelogos.com/videos/beauty-from-ashes>

Redemption from Ashes Megan Linski, 2015-11-30 Love redeems all I have failed to protect the ones I swore to defend The devil himself has overcome this world destroying Sahrhn and devouring the souls of those who encounter him My dreams are filled with nightmares My days are full of terror Cities burn entire communities are slaughtered and cruelties beyond imagining run rampant as the god of death unleashes his power upon the desert and my people A divine message descends upon me prophesying that I am to play a crucial role in this devastating war between angels djinn and men I carry the last chance for the realm within me and cannot afford to lose again Guided by nothing but blind faith my destiny will determine the fate of my kingdom and the future of those who inhabit it The love Zahid and I share will bring the realm to its knees My marriage is the one thing standing in the way of darkness claiming this land forever My only hope isn't revenge It's redemption

From Ashes J. E. God Gave Us Beauty from Ashes Naomi Smith, 2015-04-02 At each attempt to make a life changing transition the author's family secrets would scream to come out Her need to protect those nearest her would

keep her life normal but tormented on the inside Her poignant portrayal of a God who is able to bring their secrets to the healing sunlight of His grace while loving both the victim as well as the perpetrator is a saga no one who has been touched by sexual abuse can afford to miss I will recommend this most helpful volume to many of my clients A counselor in private practice for over twenty years When I arrived at the prison I had to pass through numerous locked gates on my way to the hospital How strange and intimidating it felt to hear yet another door lock behind me as we went into the depths of the prison I couldn't help but feel a twinge of fear as the guards took us past scummy looking men hanging out in the hallways Finally we came to my father's room and I could see him through the open door He was lying in his bed gazing at the ceiling and his face was shining He hadn't noticed that I had come so I stood enraptured wondering at the change in my Daddy's countenance While I was at the prison I had a chance to talk alone with the prison doctor and was encouraged by his comments as well Your dad's story needs to be told he said to me He is truly a changed man Other people need to know that God can change anybody even child molesters There are many people inside these locked doors and outside in the world who have lost hope that God would do anything for them Your father's changed life is a testimony of God's faithfulness to any sinner who chooses to repent
