Lauri S. Friedman

Middle East Introducing Issues With Opposing Viewpoints:

The Middle East Lauri S. Friedman, 2007 The power of the U S is greatly reliant on other countries International politics is incredibly complicated as our global world has thousands of moving parts This book serves as a terrific primer to understanding our relationship with the Middle East Essays are arranged in a pro versus con format across three chapters Each essay pairing represents divergent viewpoints which will activate your reader s critical thinking skills They will evaluate what causes conflict in the Middle East what could bring peace and what role the U S should play in the Middle East Essay sources include Donald Rumsfeld Isabelle Humphries George W Bush Gilbert Achcar Moshe Yaalon and Stephen R Shalom

Genocide Margaret Haerens, 2012-06-11 Genocide is the intentional destruction of a national racial religious or ethnic group whether in wartime or peace In 1948 the United Nations adopted the Convention on the Prevention and Punishment of Genocide and yet this crime is still prolifically conducted by various regimes Articles and essays included in this must have volume explore issues related to recognizing analyzing and defining global genocide Topics covered include differing international views of what constitutes genocide Readers will learn about contemporary examples of genocide from countries such as the Congo Sri Lanka North Korea and the Sudan Expert sources help readers to understand the means of preventing and prosecuting genocide Readers will also analyze the legacy of genocide

State Violence and the Right to Peace

Kathleen Malley-Morrison, 2009-10-22 A thought provoking revelation of the ways ordinary people conquerors and conquered imperialists and the colonized Christians Jews and Muslims think about war and peace Filled with personal reflections from every corner of the globe *State Violence and the Right to Peace* An International Survey of the Views of Ordinary People is a masterful portrayal of how people from diverse cultures religions and experiences think about war and peace Spanning four volumes *State Violence and the Right to Peace* brings together the views of shopkeepers day laborers clerical workers students teachers social workers veterans and others talking about governmental aggression torture and protesting acts of war These views from Europe North America South America the Middle East Africa and Asia are seen in the context of major historical battles including the empire building of Western European countries the emergence and contraction of the Soviet Union and the wars in the Middle East As this remarkable resource shows there are some surprising similarities in thinking about war and peace across nations and cultures and some equally surprising cases where opinions diverge

The War on Terror Noah Berlatsky, 2012-07-20 While the War on Terror is a very familiar phrase to the American people many countries are embarked on their own War on Terror Give your readers a globally minded balanced book on this issue Readers will learn about this war in various countries including Israel Pakistan Somalia Afghanistan European nations and the U S Readers will explore the causes of terrorism issues of human rights governments responses to terrorism and the future of the War on Terror
