The Watchtower and the Cross D. A. Shane, 2024-06-13 How far would you go to pursue truth For a boy raised in the Jehovah's Witness religion truth is taken for granted But as adolescence sets in the desire for more in life impels him to seek answers to his questions outside the four walls of the local Kingdom Hall Tortured by his past and his uncertainty about the present he wanders far afield and ultimately into a booze soaked despair that he is unable to free himself from But in that powerlessness God seeks him and in the process of giving him a new lease on life lights the pathways of truth once more With this newfound faith the boy now a man journeys forth to places as diverse as Marine Corps bootcamp and Catholic seminary all the while navigating the minefield of ideologies and competing belief systems that litter our postmodern society He loses and gains family and trades his place on the Watchtower for a spot underneath the Cross

The Silver Market Phenomenon Florian Kohlbacher, Cornelius Herstatt, 2008-09-17 TheSilverMarketPhenomenon In the developed countries the dominant factor in the next society will be something to which most people are only beginning to pay attention the rapid growth in the older population and the rapid shrinking of the younger generation Peter F Drucker The current shift in demographics aging and shrinking populations in many countries around the world presents a major challenge to companies and societies alike As a matter of fact this is true both for a number of industrialized nations as well as for certain emerging economies However even though this crucial issue has recently started to attract the attention of scholars business leaders and politicians research on the implications of the demographic change on businesses is still in its infancy Most accounts of the so called demographic problem deal as the term already suggests with the challenges and threats of the demographic development These discussions feature for example the shrinking workforce welfare effects social conflicts etc At the same time chances and opportunities are often neglected The emergence of new markets the potential for innovations the integration of older people into jobs and work places the joy of active aging and their varied roles within society are just a few examples of how what at first sight appears to be a crisis could be turned into an opportunity All in all countries and industries are reacting very differently from still neglecting to proactively looking for and developing solutions
