marriage without a court order The struggle for gay rights in Vermont was very difficult divisive and acrimonious If you talk to young people today about gay rights or gay marriage they ask What was the big deal Madeleine and Jennifer Baumgardner remind us what a big deal it was and how important it is Bernie Sanders The gay marriage movement like all civil rights movements began with individuals telling the truth about who they are to a world that doesn't accept them It ends with an entire generation of young people who reject blatant civil rights discrimination We Do triumphantly chronicles this recent chapter New Pages Included on the American Library Association's Over the Rainbow Project Book List Gift of Peace, Revised Edition Elizabeth Raum, 2014-08-26 From Peanut Farmer to President When Jimmy Carter was a boy he listened to his parents talk about local politics and watched them live out their Baptist faith in the community From the fields of his family farm to traveling the world negotiating peace talks God guided every step of Jimmy's journey His unwavering devotion to peace and faith helped him navigate the political waters of the governorship and presidency This revised edition includes updates on President Carter's continuing work on human rights and celebrates 30 years of Habitat of Humanity with focus on the Jimmy and Roslyn Carter work projects in Haiti and more Discover the extraordinary life of this world famous humanitarian and follow in the footsteps of this incredible man of God Jewish Roots of American Liberty Wilfred M. McClay, Stuart Halpern, 2025-09-23 For much of American history an impassable gulf seemed to separate Jews and Christians keeping their respective peoples and cultures far apart But in recent decades that has begun to change The rise of a militant secularism one equally hostile to Israel and to America's Judeo-Christian values and institutions has unexpectedly drawn Jews and Christians closer together In the face of a common civilizational threat the study of the two traditions joint contributions to the West has risen to the fore Jewish Roots of American Liberty illustrates how the free institutions principles and liberties that we value so much in today's America including Christianity itself are securely grounded in Jewish antecedents The twenty-one chapters that comprise this book offer a sampling of the many ways Biblical cultural literary and political that the Hebraic tradition has contributed to the treasury of American self-understanding Topics range from the titanic influence of the Hebrew Bible on the political culture of the American Founding to the distinctly Hebraic vision of figures like John Milton Nathaniel Hawthorne and Abraham Lincoln to the Biblical heroes whose examples run through the canon of the American imagination and more Suitable for both classroom use and stand-alone reading the highly accessible contents of Jewish Roots of American Liberty will inform and inspire those who want to illuminate the bond between the American and Jewish stories and convey the blessings of that bond to a rising generation The End Of Earth Philip N. Moore, 2024-11-01 In this eye-opening exploration discover how Moses' ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern-day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its
