Nizams Educational Transformation Princely State:

The Nizams Nasreen Begum (College vice-principal),2016 **Voices and Visions: Interdisciplinary Perspectives in the Arts and Social Sciences** Dr. Mahammad Sharif ,Dr. Shaik Jebunnisa,2025-07-06 Voices and Visions Interdisciplinary Perspectives in the Arts and Social Sciences edited by Dr Mahammad Sharif and Dr Shaik Jebunnisa is a compelling anthology that unites diverse scholarly perspectives to explore the dynamic intersections of art culture and society Spanning disciplines such as literature sociology cultural studies history and the visual arts the volume presents a wide array of insights into the reciprocal influence between creative and social practices The chapters address themes including identity resistance memory and transformation illustrating how the arts function both as a mirror of societal realities and a critique of them The editors have curated a rich collection of contributions that emphasize the value of interdisciplinary dialogue enhancing our understanding of complex human experiences Blending theoretical rigor with narrative depth this collection serves as an essential resource for academics researchers and students interested in examining the evolving relationship between artistic expression and the social sciences **Drivers of Climate Change in Urban India** Lutz Meyer-Ohlendorf,2018-11-20 This study transcends the homogenizing inter national level of argumentation rich versus poor countries and instead looks at a sub national level in two respects 1 geographically it focuses on the rapidly growing megacity of Hyderabad 2 in socio economic terms the urban population is disaggregated by taking a lifestyle typology approach For the first time the lifestyle concept traditionally being used in affluent consumer societies is applied to a dynamically transforming and socially heterogeneous urban society Methodically the author includes India specific value orientations as well as social practices as markers of social structural differentiation The study identifies differentials of lifestyle induced GHG emissions carbon footprints and underlines the ambiguity of a purely income based differentiation with regard to the levels of contribution to the climate problem **Oriental Culture In Transition** Y. Vaikuntham,2025-10-27 The culture of Hyderabad was not only the extension of the Mughal culture with geographical distinctiveness but also regionalized with special features known as Deccani culture a distinct form of Oriental Culture This volume analyses how and to what extent the regional influences in Hyderabad dominated while assimilating the features of the British Raj Paramountcy was a canny and self serving concept invented by the British in the nineteenth century to assert their indirect rule over the Princely States The British Residents were the eyes and ears of the Raj The present volume analyses in detail to what extent the Western cultural forms were enforced or assimilated in the way of manners customs etiquette dress code and protocol It also examines how liberal secular English education was diligently promoted not only for princes and nobles of Hyderabad but also local administrators The volume concludes how this confrontation and assimilation of oriental and Western cultures led to the evolution of a new regionalized culture in Hyderabad state *Christians in South Indian Villages, 1959-2009* John B. Carman,Chilkuri Vasantha Rao,2014-12-03 This book revisits South Indian Christian communities

that were studied in 1959 and written about in Village Christians and Hindu Culture 1968 In 1959 the future of these village congregations was uncertain Would they grow through conversions or slowly dissolve into the larger Hindu society around them John Carman and Chilkuri Vasantha Rao s carefully gathered research fifty years later reveals both the decline of many older congregations and the surprising emergence of new Pentecostal and Baptist churches that emphasize the healing power of Christ Significantly the new congregations largely cut across caste lines including both high castes and outcastes Dalits Carman and Vasantha Rao pay particular attention to the social political and religious environment of these Indian village Christians including their adaptation of indigenous Hindu practices into their Christian faith and observances

Denotified Tribes of India Malli Gandhi, Kompalli H.S.S. Sundar, 2019-12-09 Social stigmatization is a virtual curse imposed on certain Indian social sections by the colonial government as part of their contextual political strategies by late nineteenth century The so called denotified tribes formerly known as ex criminal tribes in Indian society occupy this state made category According to the latest survey reports India has 198 groups belonging to nomadic and denotified tribes unorganized scattered and utter nobodies Social justice is alien to them and economic disempowerment eventually resulted in slavery bonded labour and poverty Public welfare measures pay scant attention to the issue of reform and rehabilitation of these sections and they are made to suffer from an identity crisis today Most of these communities are split under reserved categories Scheduled Castes and Other Backward Classes The work tries to present a narrative detailing the conditions of denotified tribes during colonial and post colonial India And the undeclared wish in doing so is to seek the attention of those in policy making and decision making bodies under the Indian government Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **India and China** Kavita A. Sharma, 2023-10-02 This book provides a comprehensive overview of higher education in India and China and the complexity of issues involved It focuses on gaining understanding of education systems governance mechanisms globalisation and emergence of the private sector action policies of both the countries and their impact on education and society Offering a comparative perspective the book discusses why China is ahead of India in Higher Education when both share the similar challenges of burgeoning young population and scarcity of resources It examines the success in providing equitable access to both country s marginalised sections It also discusses the directions of future growth through National Education Policy 2020 and the 13th Five Year Plan of the Chinese State Council Combining rich content and a broad scope the book offers a valuable key to understanding Higher Education system of India and China It is a useful read for students and researchers in social sciences education area The Idea of a University D. V. Kumar, 2021-07-22 This volume engages with the idea of a university the importance of intellectual inquiry and research and the articulation of diverse political views and dissent It discusses the prominent ideas and debates around universities and their nature and contributions within the historical and social context of India The chapters reflect on the importance of critical thinking and the rigorous research process the

engagement of students with socio political discourse and academic freedom They also examine issues around the instrumentalisation of knowledge production commodification of education the clash between political forces and universities intellectual freedom in research and teaching inclusivity and accessibility of higher education as well as the autonomy and identity of universities With insightful contributions from prominent scholars and thinkers in India this volume will be of interest to academics and students of sociology political science education public policy and governance philosophy of education and South Asian studies It will also be useful for readers interested in the debates on universities and their relationship with politics and society

Facets of Muslim Women in the Deccan Rekha Pande, 2024-03-06 Facets of Muslim Women in the Deccan Echoes on Culture Education Work and Health investigates Deccan a cultural and historical heart of India with a focus on Muslim women and collects observations and findings in the field focusing on issues of history and culture family education work and health It is women who carry the double burden of poverty and discrimination and as some studies in the various sections show Deccan is no different These women though not a homogeneous group by way of caste class religion or economic activity share a common struggle against oppression and exploitative conditions Utilizing primary data this book delves into topics of culture family education and the feminization of labor in organized sectors
