

No Hero For The Kaiser

Brian Murdoch

No Hero For The Kaiser:

No Hero for the Kaiser Rudolf Frank, 1986 Jan a fourteen year old Polish boy whose town is invaded in World War I joins a German battalion and experiences the horrors of battle

German Literature and the First World War: The Anti-War Tradition Brian Murdoch, 2016-03-09 The period immediately following the end of the First World War witnessed an outpouring of artistic and literary creativity as those that had lived through the war years sought to communicate their experiences and opinions In Germany this manifested itself broadly into two camps one condemning the war outright the other condemning the defeat Of the former Erich Maria Remarque's *All Quiet on the Western Front* remains the archetypal example of an anti war novel and one that has become synonymous with the Great War Yet the tremendous and enduring popularity of Remarque's work has to some extent eclipsed a plethora of other German anti war writers such as Hans Chlumberg Ernst Johannsen and Adrienne Thomas In order to provide a more rounded view of German anti war literature this volume offers a selection of essays published by Brian Murdoch over the past twenty years Beginning with a newly written introduction providing the context for the volume and surveying recent developments in the subject the essays that follow range broadly over the German anti war literary tradition telling us much about the shifting and contested nature of the war The volume also touches upon subjects such as responsibility victimhood the problem of historical hiatus in the production and reception of novels drama poetry film and other literature written during the war in the Weimar Republic and in the Third Reich The collection also underlines the potential dangers of using novels as historical sources even when they look like diaries One essay was previously unpublished two have been augmented and three are translated into English for the first time Taken together they offer a fascinating insight into the cultural memory and literary legacy of the First World War and German anti war texts

Children at War Kate Agnew, Geoff Fox, 2001-10-01 This book provides a critical appraisal of the treatment of war in children's reading during the 20th century covering World War I World War II and subsequent wars including Vietnam the Gulf War and the war in the Balkans

The Kaiser Vs. Bismarck Otto Bismarck (Fürst von), 1817

Manly Pursuits Ann Harries, 2013-01-03 Cape Town 1899 Diamond tycoon Cecil Rhodes believes that he has only months to live and that the only thing that can save him is the sound of English birdsong He recruits Francis Wills to transport 200 birds to Cape Town but on arrival the birds refuse to sing This is but the first obstacle for Wills who finds himself irresistibly drawn to intrigue in a country on the brink of war

No Hero's Welcome Jeffrey K. Walker, 2019-09-06 The horrors of the First World War devastated many a Dublin family and the Brannigans weren't spared Struggling to get past their heartache the family finds itself divided by both the rebellion against British rule and the wide Atlantic Devoted matriarch Eda Brannigan witnesses her family unraveling Sean and Molly make startling choices with potentially lethal consequences Francis steepens in a drunken angry stupor Young Brandon is so eerily quiet Eda desperately wishes her beloved firstborn Deirdre wasn't living so far away But with a determined resolve Eda soldiers on in her bustling pub The Gallant

Fusilier where tragedy triumph and even love unfold Can this family endure the violence and intrigue of the Easter Rising the bloody struggle for independence and a bitter civil war

Mytholudics Dom Ford,2025-04-21 Games create worlds made of many different elements but also of rules systems and structures for how we act in them So how can we make sense of them Mytholudics Games and Myth lays out an approach to understanding games using theories from myth and folklore Myth is taken here not as an object but as a process a way of expressing meaning It works to naturalise arbitrary constellations of signs to connect things in meaning Behind the phrase just the way it is is a process of mythologization that has cemented it Mytholudics lays out how this understanding of myth works for the analysis of games In two sections each analysing five digital games it then shows how this approach works in practice one through the lens of heroism and one through monstrosity These ask questions such as what heroic mythology is constructed in Call of Duty What do the monsters in The Witcher tell us about the game s model of the world How does Hellblade Senua s Sacrifice weave a conflict between Norse and Pictish mythology into one between competing models of seeing mental illness This method helps to see games and their worlds in the whole Stories gameplay systems rules spatial configurations and art styles can all be considered together as contributing to the meaning of the game

The Schemes of the Kaiser Juliette Adam,2019-09-25 Reproduction of the original The Schemes of the Kaiser by Juliette Adam

The Three Lives of the Kaiser Uli Hesse,2023-05-11 Franz Beckenbauer known as the Kaiser was Germany s greatest ever footballer and one of the game s biggest icons of all time a World Cup winner as player and manager But what is often described as a blessed life was in fact a rollercoaster ride with stunning highs and bitter lows He rose to fame at the 1966 World Cup in England where after West Germany s final defeat the British press marvelled at the grace of a beaten but proud Prussian officer Yet there was nothing Prussian about the Bavarian boy who flouted authority disregarded rules and viewed the traditional German work ethic with the disdain of someone to whom everything comes naturally After a glittering early career at Bayern Munich captaining them to three European Cup victories and pioneering the playmaking libero role in central defence Beckenbauer made a controversial move to the recently formed New York Cosmos in 1977 Praised as the greatest by none other than Muhammad Ali he gently warded off overtures from Rudolf Nureyev and partied the night away with Mick Jagger and Grace Jones at Studio 54 Back home though people often wondered what to make of this most famous German athlete who was so un German Beckenbauer s country had finally learned to love him by the time he managed the national side to World Cup glory in 1990 but allegations of corruption surrounding Germany s successful bid to host the 2006 World Cup made him a controversial figure all over again In The Three Lives of the Kaiser leading football writer Uli Hesse gives us the definitive biography of this truly remarkable legend

Kingdom of Glas K. Vider,2016-11-10 When the warrior race known as the Glas set out to conquer the Six Kingdoms nothing stood in their way With their power unmatched and their lust for war primal the Glas were an unstoppable force Then one day they simply vanished Four hundred years later the race and their conquest were but vague

memories simple whispers among the few who still know the legend But when the gears of war begin to turn anew among the remaining Kingdoms the bloodshed of battle will awaken the last Glas The coming war will force a young farmhand Kaiser Noire from his simple life and onto the front line With his life on the line he will discover something inside of him that he could never have imagined When talk of war reaches across the realm to Valacore an old knight gives chase to the rumors of the Glas leaving his son to question his father s involvement The young knight Grant Dalfair will set out to unravel the past His faith will be shaken and everything he knows will be questioned as he attempts to learn the truth and stop the Glas

Getting the books **No Hero For The Kaiser** now is not type of challenging means. You could not single-handedly going in the manner of book accretion or library or borrowing from your contacts to entry them. This is an completely simple means to specifically get lead by on-line.
