No More Letting Go The Spirituality Of Taking Action Against Al:

No More Letting Go Debra Jay, 2007-12-18 Detachment has been the standard message of most addiction literature for the last twenty years. The conventional wisdom offered to an addict's loved ones has been to let the addict hit bottom before intervening. Now intervention specialist Debra Jay challenges this belief and offers a bold new approach to treating addiction that provides a practical and spiritual lifeline to families struggling with alcohol or drug abuse. In *No More Letting Go*, Jay argues that the traditional advice of letting go too often destroys both the addict and the family physically, emotionally, and spiritually. Jay contends that addiction is everybody's business, not just the addict's, and addiction doesn't have the right to trump the welfare of a family. In short, highly accessible chapters written with warmth, understanding, and compassion, Jay weaves together philosophical and religious thought, new science on the brain function of an addict, the physical and psychological impact of addiction on family members, and poignant real-life family stories. *No More Letting Go* is a powerful, informative guide that provides comfort, hope, and practical advice to anyone affected by a family member's addiction. It Takes a Family

Debra Jay, 2014-10-21 Most books on recovery from addiction focus either on the addict or the family. While most alcoholics and addicts coming out of treatment have a recovery plan, families are often left to figure things out for themselves. The author takes a fresh approach to the recovery process by making family members and friends part of the recovery team, beginning in the early stages of sobriety. *The Pain Antidote* Mel Pohl, Katherine Ketcham, 2015-05-26 Chronic pain is not a life sentence. If you are one of the 100 million people who suffer from chronic pain, you may be feeling hopeless and helpless, relying on endless medications that don't work, feeling worse and worse. But there is hope and help. The innovative program at the acclaimed Las Vegas Recovery Center, at which Dr. Mel Pohl is Medical Director, has helped thousands of sufferers to reduce chronic pain without the use of painkillers. *The Pain Antidote* shares this program's concrete tools and strategies, offering cutting-edge research on how pain affects your brain, how your emotions affect your experience of pain, a comprehensive program including a four-week Jump Start plan, pain-reducing gentle exercises, and health supporting foods. And much more.

Perkinson presents state-of-the-art tools, forms, and tests necessary for client success while meeting the highest standards demanded by accrediting bodies.
