No Room For Excuses Your Potential Awaits:

A Long awaited Journey Donna McHenry,2010-11-18 Donna was born and raised in Connecticut in the small town of Willimantic Life was not easy for Donna while she was growing up because of her weight problem which started right from preschool and continued through adulthood As you read about her trials and tribulations while she was growing up you will learn about the decision she finally felt compelled to make Realizing that she had tried everything she could to lose weight and had not been successful she chose a drastic measure Preparation was only the beginning of her journey A journey which would take her to places in her life that she never dreamed she would go to A journey that at times seemed like there was no end to A journey that she wants to share with those who would dare to do what she has done Please come along and experience this long awaited journey

No Room for Excuses ,2008-10-01 **Welfare to Millionaire** Sarian Bouma,2005-09-01 In 1974 a 19 year old from Sierra Leone came alone to this country determined to make her way Born into poverty she learned a strong work ethic and many other lessons from her parents A popular budding radio tv personality at a young age she dreamed of a college degree and to pursue broadcasting Quickly running out of money she successfully worked a variety of jobs but was never able to accumulate enough cash to return to school She married a young man whose dreams and ambitions she soon realized did not match her own and eventually ended up on the street penniless homeless and with a baby Desperate she found help and encouragement at a women s shelter and renewed her determination to succeed Banking classes through the welfare system gave her entr e to a new world where she rose through the ranks She also met her future second husband there Eventually hitting a glass ceiling she and her husband decided she should try running her own company a commercial cleaning business She eventually grew her company into a multimillion dollar business serving even the White House The recipient of numerous national and local awards she has always given back to her employees her homeland and those who helped her along the way The mother of six two adopted from her homeland following the devastating wars there Sarian today is expanding into other business areas and continues as a shining example of how one can achieve the American Dream This book details the many struggles and triumphs of this remarkable woman and provides many resources for women

Inside the Invisible Box: My Journey from Mars to a Rising Phoenix Z.W. Bosie,2025-02-16 What if the invisible constraints of your past shaped your future in ways you never imagined Zan an intensely private Black woman bravely steps into the spotlight to share her deeply personal book of poetry crafted during her youth and continued into her adulthood Her mission is to raise funds for a program dedicated to supporting the mental health and physical well being of women and children in underserved communities But just as she prepares to reveal the inspiration behind her poetic pieces the overwhelming weight of long buried secrets sexual assault in her adulthood an alcohol addicted father and childhood trauma threatens to consume her Embark on a transformative journey with the author as she weaves her scattered poetic musings into a captivating story of resilience and self discovery Inside the Invisible Box My Journey from Mars to a

Rising Phoenix transcends genres seamlessly combining memoir poetry and personal development into a spellbinding creative non fiction narrative Each standalone snippet interweaves to collectively form a layered and cohesive story of growth amid hardship The author confronts vulnerability trauma abuse and heartache with unwavering determination delving into the deepest recesses of the human condition Her vivid imagery and evocative writing style bring to life the struggles and triumphs of her journey The narrative also sheds light on the undiagnosed mental health struggles within the Black community particularly through the author s relationship with her father and his battle with alcoholism This thought provoking and powerful narrative not only highlights the author s journey from the constraints of her past to a place of healing and empowerment but also stimulates critical thought on historical and cultural contexts mental health and the complexities of the human condition Her story offers a fresh perspective on overcoming adversity making it a beacon of hope for anyone seeking to find their voice and embrace their true self Are you ready to unlock the secrets of healing and embark on your own path to empowerment Open the pages and be transported into a world where vulnerability becomes strength and storytelling becomes salvation

Go Get Yours Ivan James,2011-07-21 There is no one blueprint to success but there are millions who are considered successful Go Get Yours is designed to develop the drive and encouragement one needs to become a success Nothing is more powerful than the minds of our young people The purpose of this book is to impact the minds of our young people to go out and strive as high as possible Go Get Yours is a wake up call to students and even the parents of todays generation This book reminds us that its still cool to seek brilliance at a time when popular culture preaches negativity In twelve chapters James provides the motivation for anyone seeking to exercise their potential Chapters devoted towards education staying focused having a plan and no excuses are geared to uplift each reader Go Get Yours is a guaranteed must read

Teambuilding: The Road to Success , The FIFA coach of the Century presents his thoughts and observations on the art of Team Building in the world of soccer and beyond All the facets of the team building process including team tactics and psychology are included down to the minutest detail Also included is how youth talent per age group category should be developed And finally how to set up training sessions to achieve the best results All the chapters are interspersed with examples from Rinus Michels personal experiences as a trainer At the same time he gives a reference framework for everyone who is on a daily basis involved with the team

building process from youth and professional coaches to managers in the business world Because of these unique examples most of which were never published this will be a fascinating book for anyone involved in a team building process As We Await the Blessed Hope Mark Kyriakos,2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries **Burning Cash** Justin A. Collins,2014-03-04 With the Common Core poised to markedly amplify the accountability stakes in public education the pressure to post steep outcomes gains has never been fiercer Unsurprisingly flashy and expensive school improvement initiatives that promise quick fix solutions have become pervasively en vogue across the K 12 landscape As Justin A Collins compellingly demonstrates in Burning Cash these flashy acronym reform plans provide for abundantly vivid theatre but offer no muscle for the heavy lifting required to transform instructional quality Collins pens a forceful case that despite the dizzying change swirling around the classroom walls student engagement remains a fixture of a paramount importance Taking a decided detour from the student engagement literature to date Burning Cash spells out an entirely fresh means of numerically charting student engagement levels across all classrooms over time Were the status quo to instead persist a high school diploma will remain the end of the educational line for millions of schoolchildren By reliably quantifying the nature of student engagement at the classroom level teachers and administrators are supplied a powerfully telling barometer by which to gauge educational quality Also left at educational leaders disposal are data informed guideposts that illuminate the improvement work left to be done As Los Angeles Schools John Deasy champions in the book s foreword when student higher order thinking balloons and disengagement is eradicated test score spikes are extreme and sustained no matter the school district s zip code And that means the promise of the American dream is enlivened without additionally burdening deficit riddled budgets
