Spanish Poetry of the Twentieth Century Andrew Debicki, 2021-12-14 Twentieth century Spanish poetry has received comparatively little attention from critics writing in English Andrew Debicki now presents the first English language history published in the United States to examine the sweep of modern Spanish verse More important he is the first to situate Spanish poetry in the context of European modernity to trace its trajectory from the symbolists to the postmodernists Avoiding the rigid generational schemes and catalogs of names found in traditional Hispanic literary histories Debicki offers detailed discussions of salient books and texts to construct an original and compelling view of his subject He demonstrates that contemporary Spanish verse is rooted in the modern tradition and poetics that see the text as a unique embodiment of complex experiences He then traces the evolution of that tradition in the early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect features of the postmodern especially the poetics of text as process rather than as product By centering his study on major periods and examining within each the work of poets of different ages Debicki develops novel perspectives The late 1960s and early 1970s for example were not merely the setting for a new aestheticist generation but an era of exceptional creativity in which both established and new writers engendered a profound intertextual and often self-referential lyricism This book will be essential reading for specialists in modern Spanish letters for advanced students and for readers interested in comparative literature

No mires atrás Christine Caine, 2024-04-02 Con un grito de Recuerden a la mujer de Lot la profesora de Biblia conferenciante internacional activista y autora de best sellers Christine Caine nos motiva a dejar de mirar atrás a desatascarnos y a seguir avanzando hacia las promesas y el propósito de Dios para nuestras vidas Hay momentos en la vida en los que miramos hacia atrás y nos sentimos desesperados por hacer que el tiempo se detenga sobre todo cuando nos sorprenden cambios inesperados Pero no podemos detener el flujo de la vida y no podemos detener el tiempo Es más mirar atrás no nos permite volver La mayoría de las veces solo hace que nos quedemos atascados En un lugar en un espacio en un recuerdo en una mentalidad en un hábito En Juan 17:32 Jesús entrega tres palabras Recuerda a la mujer de Lot No sabemos su nombre ni su historia Todo lo que sabemos es que cuando ella estaba huyendo de Sodoma y Gomorra le dijeron que no mirara hacia atrás e hizo lo único que se le pidió que no hiciera Mir hacia atrás y se convirtió en una estatua de sal y de las 170 mujeres mencionadas en las Escrituras ella es la única que Jesús nos dijo que recordáramos En No mires atrás Christine te motiva a dejar de mirar hacia atrás y empezar a mirar a Jesús invitar a Jesús a entrar para que te ayude a desatascarte de los muchos lugares en los que a menudo nos encontramos avanzar desde donde te encuentras hacia todos los planes propósitos y promesas de Dios para tu vida y mirar hacia el futuro y seguir avanzando hacia él con fe especialmente cuando tu mundo ya no se parece en nada a lo que era antes Jesús nos invita a avanzar hacia la novedad de lo que está por venir Deja de descalificarte quedándote atorado en el pasado Es hora de recordar a la mujer de Lot y no mirar atrás sino avanzar con valentía Don't Look Back With a rallying cry to Remember Lot's wife Bible teacher international speaker activist and bestselling author Christine Caine motivates us to stop looking back to get unstuck and to keep moving forward into God's promises and purpose for our lives There are times in life when we look back and feel desperate to make time stand still particularly when we get blindsided by unexpected changes But we can't stop the flow of life and we can't stop time What's more looking back doesn't enable us to go back More often than not it just makes us stuck In a place In a space In a memory In a mindset In a habit In John 17:32 Jesus drops three little words Remember Lot's wife We don't know her name history or story All we know is that when she was fleeing Sodom and Gomorrah she was told not to look back and she did the one thing she was asked not to do She looked back and turned into a pillar of salt And out of the 170 women referred

to in the Scriptures she s the only one Jesus told us to remember In this new book Christine will motivate you to stop looking back and start looking to Jesus invite Jesus in to help you get unstuck from the many places we often find ourselves move on from where you are into all God s plans purposes and promises for your life and look forward to the future and keep moving toward it in faith especially when your world is nothing like it once was Jesus is beckoning us onward into the newness of what lies ahead Stop disqualifying yourself by getting stuck in the past It s time to remember Lot s wife and not look back but move forward boldly
