

NO TRACE OF HONOR

Prime Trace Series: Book Two

Dennis E. Smith

Author of "Not Without Honor"

No Trace Honor Prime

Lyndon Hardy

No Trace Honor Prime :

Honor's Promise Sharon Sala,2015-06-15 Don't miss the chance to read the novels that launched New York Times bestselling author Sharon Sala's career **WAS SHE RIGHT TO TRUST THIS STRANGER** For Honor O'Brien home had always been Charlie's All Night Truck Stop where weary drivers were sure to find the best barbecue in West Texas But with the recent death of her mother Charlotte aka Charlie Honor knew that Charlie's would never be the same and neither would her life One night with the grief too much to bear Honor hid between two huge rigs in the parking lot and burst into tears A second later she realized she wasn't alone She was being watched by a handsome stranger who barely hesitated before pulling her into his arms and offering her the warm comfort of his embrace After the long trip from Colorado Trace Logan couldn't believe his good fortune He'd been sent here to find Honor O'Brien And like magic the long legged beauty with a glorious black jumble of curls had fallen into his arms He had found his woman Now if he could only get her back to Colorado without a struggle

Sabra and the Amazon City S.C. Billingslea,2019-10-25 A Different Path Having returned from her adventure with Arkrames Sabra has chosen to accept the offer made to her by the Amazons However once she joins them she learns that they are on the brink of war with their nemeses the Gargareans an all male society with whom they share a tenuous peace But Sabra soon discovers that her new life with the Amazons and the facts surrounding the hostility between them and the Gargareans are not quite what they had first appeared to be When Arkrames arrives on the island in search of Sabra he finds himself in the middle of the animosity between the two kingdoms and seeks refuge with the Gargareans While Sabra is trying to find her place among the Amazons she is forced to face some difficult decisions about her loyalties to Arkrames the Amazons and the relationships that have formed since she joined the sisterhood Only she can decide what path the future will take her down

Eight Hundred Leagues on the Amazon Jules Verne,2021-12-13 *Eight Hundred Leagues on the Amazon* follows Joam Garral a Brazilian ranch owner living on the Peruvian border When his daughter wants to return to their old city of Belem for her wedding Joam relents as the loving father he is Joam is a wanted man however framed for a crime he never committed he will have to face the music when he returns home putting his life and everything he holds dear at risk Garral is offered a way out he can clear his name but the cost could very well tear his family apart It is a wonderful read built on the strength of Verne's mastery of description and his ensemble of brilliant characters Jules Verne 1828-1905 was a French novelist poet and playwright who is remembered for his significant contribution to the science fiction genre With the help of editor Pierre Jules Hetzel he wrote a series of books called *Extraordinary Travels* which includes *Journey to the Centre of the Earth* 1864 *Twenty Thousand Leagues Under the Sea* 1870 and *Around the World in Eighty Days* 1873 Due to his incredible vision he is often given the moniker The Father of Science Fiction shared with fellow science fiction author H.G. Wells Widely popular with both children and adults Verne is one of the most translated authors of all time second only to Agatha Christie and Shakespeare

Cleansing the Nation Raka Shome,2025-10-03 Raka Shome explores the logics of

governmentality of contemporary Hindu Nationalism in India and the ways it inscribes Indian modernity as a purified Hindu modernity

The Films of John Schlesinger Julia Prewitt Brown, 2019-08-24 The city with its manifold distractions and violence its invitation to intoxication and dream had long served to represent the experience of modernity in works of art at the time John Schlesinger made his acclaimed urban documentary *Terminus* in 1961 To be a reader of the city was to be a reader of modern life and Schlesinger was a discriminating at times relentless reader of the city throughout his career especially in his three greatest films *Midnight Cowboy* *Sunday Bloody Sunday* and *The Day of the Locust* set in New York London and Los Angeles respectively His character driven stories evocation of the significance of the everyday and insistence on ambiguities of situation and motive all qualities he was known for point to literary influences that reach back to the nineteenth century and earlier *The Films of John Schlesinger* is not only the first book to fully acknowledge those influences but also the first book to explicate the power of his art to capture the modern urban experiences of becoming an adult in an atmosphere that relentlessly promotes fantasies of success and wealth of coming to terms with one's national identity in the context of international politics and of attempting to transform the past both personal and cultural into a viable present

The Cerulean Staff Mark J Molinoff, 2024-08-12 This is the story of Henry Naftali a mild mannered Israeli army medic who was severely injured in combat While lying unconscious he had a vision from a God he did not recognize The information conveyed to him in that apparition was so outrageous that he initially dismissed it as a figment of his imagination However when events from the vision begin to manifest in his life he is forced to conclude that it is true With the help of new found friends Henry rises to the task of fulfilling a mission that was thrust upon him What happened next over the course of two years not only changed his life but the lives of millions Prepare to embark on a journey of discovery as Henry's message of hope shines a transformational light on the world

Riddle of the Seven Realms Lyndon Hardy, 2016-11-04 The worst of the mess they were in Kestrel knew was that it was all his own fault It all began when he had tried to cheat the lady wizard Phoebe with a load of worthless wood When she insisted on testing his sample the demon Astron had burst through the flame

Bliss of Life , The bliss of life is found in the simplest of moments where joy dances freely and contentment thrives It's in the gentle caress of a loved one's hand the warmth of a heartfelt smile and the beauty of a sunrise painting the sky with hues of hope It resides in the laughter of children playing the harmony of nature's symphony and the serenity of a peaceful mind Life's bliss is not always grandiose it often hides in the mundane waiting to be discovered in the quiet corners of everyday existence Embrace these moments for they are the essence of true happiness enriching the tapestry of our lives with meaning and fulfillment

John Muir's Last Journey John Muir, 2013-04-10 I am now writing up some notes but when they will be ready for publication I do not know It will be a long time before anything is arranged in book form These words of John Muir written in June 1912 to a friend proved prophetic The journals and notes to which the great naturalist and environmental figure was referring have languished unpublished and virtually untouched for nearly a century Until now Here

edited and published for the first time John Muir's travel journals from 1911-12 along with his associated correspondence finally allow us to read in his own words the remarkable story of John Muir's last great journey. Leaving from Brooklyn, New York in August 1911, John Muir at the age of seventy-three and traveling alone embarked on an eight-month, 40,000-mile voyage to South America and Africa. The 1911-12 journals and correspondence reproduced in this volume allow us to travel with him up the great Amazon into the jungles of southern Brazil to snowline in the Andes through southern and central Africa to the headwaters of the Nile and across six oceans and seas in order to reach the rare forests he had so long wished to study. Although this epic journey has received almost no attention from the many commentators on Muir's work, Muir himself considered it among the most important of his life and the fulfillment of a decades-long dream. John Muir's *Last Journey* provides a rare glimpse of a Muir whose interests as a naturalist, traveler, and conservationist extended well beyond the mountains of California. It also helps us to see John Muir as a different kind of hero, one whose endurance and intellectual curiosity carried him into far fields of adventure even as he aged and as a private person and family man with genuine affections, ambitions, and fears, not just an iconic representative of American wilderness. With an introduction that sets Muir's trip in the context of his life and work along with chapter introductions and a wealth of explanatory notes, the book adds important dimensions to our appreciation of one of America's greatest environmentalists. John Muir's *Last Journey* is a must reading for students and scholars of environmental history, American literature, natural history, and related fields as well as for naturalists and armchair travelers everywhere. *Copernican Passage* ,

Immerse yourself in the artistry of words with Crafted by is expressive creation, **No Trace Honor Prime** .
