Noel Coward Autobiography Methuen World Classics The Coward Collection:

Coward Plays: 1 Noël Coward, 2013-06-06 This first volume in the Coward Collection contains four plays written within a two year period when Coward and the century were still in their 20s The volume is introduced by Sheridan Morley Coward's first biographer Hay Fever a comedy of bad manners concerns a weekend with friends of the Bliss family who have all been invited independently for a weekend at their country house near Maidenhead The Vortex was a controversial drama in its time introducing drug addiction onto the stage at a time when alcoholism was barely mentioned Fallen Angels which is written for two star actresses was described as degenerate vile obscene shocking the second half of the play is entirely taken up with an alcoholic duologue between the two women Easy Virtue is an elegant laconic tribute to a lost world of drawing room dramas no other writer went more directly to the jugular of that moralistic tight lipped but fundamentally hypocritical 20s society He is simply a phenomenon and one that is unlikely to occur ever again in theatre history Terence Rattigan

Coward Plays: 3 Noël Coward, 2014-05-01 The third volume of Coward's plays contains some of his best work from the thirties Design for Living is about a triangular alliance between two men and a woman based on friends of Coward's which he waited to write until she and he and I had arrived by different roads in our careers at a time and a place when we felt we could all three play together with a more or less equal degree of success Cavalcade was Coward's most ambitious stage project set during the Boer War which cost 30 000 in its day and which includes scenes of the relief of the sinking of the Titanic and the coming of the Jazz Age Conversation Piece is a musical comedy that Noël wrote for the Parisian star Yvonne Printemps and includes the song I'll Follow My Secret Heart Also in the volume are three short plays including Tonight at 8 30 Hands Across the Sea a gentle satire of colonials and London Society Still Life which became the film Brief Encounter and Fumed Oak a suburban comedy about a worm who turns The volume is introduced by Sheridan Morley **Coward Plays:**

Nine Noël Coward, 2018-02-22 Coward Plays 9 offers up a fascinating selection of Noël Coward's lesser known works Salute to the Brave Time Remembered 1940 follows Leila Heseldyne after she has fled to America leaving a war torn Britain and her husband behind Long Island Sound 1947 sees a writer coerced into a riotous flock of high flying society people with turbulent results and Volcano 1957 depicts a volcanic eruption as it punctuates the dubious conduct of six individuals on a fictional South Sea island This volume also includes Design for Rehearsing 1933 was Coward's private satire on the way he Alfred Lunt and Lynn Fontanne worked on Design for Living Age Cannot Withstand 1967 Coward's last and unfinished play completes the collection as it portrays the boozy reunion of three women in their sixties who meet without fail every year to reminisce Together these works offer a new and intriguing insight into Coward the playwright and his oeuvre that extends well beyond his most well known works such as Private Lives Blithe Spirit and Hay Fever The volume is introduced by Coward expert and scholar Barry Day **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library, 1988

How Stage Playwrights Saved the British Cinema, 1930-1956 David Cottis, 2024-12-26 Examines the film careers

and work of British playwrights who worked as screenwriters between 1930 1956 During the period between the 1927 Cinematograph Films Act and the new drama of the 1950s many British writers associated with the stage also wrote for films bringing the techniques of the well made play with them Some like Bernard Shaw Noel Coward and Terence Rattigan were screenwriter stars part of the publicity of the films they worked on Pygmalion Brief Encounter The Way to the Stars Others were less celebrated but had long successful screen careers such as R C Sherriff author of Journey s End who worked on films as different as The Invisible Man The Four Feathers and The Dam Busters Using the authors original archives this book follows the way in which these writers adapted their stage skills for the screen contributing to the post war Golden Age of the British cinema and creating the classic form of screenplay that continues today **Noël Coward** Russell Jackson,2022-04-21

This is the first book length work to draw extensively on unpublished archive material to document the composition and reception of some of No l Coward s most significant plays It examines his working practices as a playwright from manuscript to performance This study argues that while he did not embrace any of the more radical theatrical isms of his time Coward experimented with both form and content He adapted the familiar well made formulas while also emphasizing theatrical self consciousness and an exploration of radical social and sexual relationships After an overview of Coward s career and the reception of his plays the work discusses selected texts from successive phases of Coward s career including some unproduced or uncompleted work and perennially popular plays such as The Vortex Hay Fever Private Lives Design for Living Blithe Spirit and Present Laughter This study also explores how in the aftermaths of two world wars as major changes in social and political circumstances suggested new approaches to dramaturgy Coward s post 1945 work failed to achieve the same success he had enjoyed in earlier periods The final chapter examines Coward s approach to his craft in response to the new theatrical and cultural environment and the new freedom in the treatment of homosexuality represented by Suite in Three Keys and his final uncompleted play Age Cannot Wither **Performing Queer Modernism** Penny Farfan,2017-07-12

Focusing on some of the best known and most visible stage plays and dance performances of the late nineteenth and early twentieth centuries Penny Farfan s interdisciplinary study demonstrates that queer performance was integral to and productive of modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated and was in a sense foundational to the insights of contemporary queer modernist studies Chapters on works from Vaslav Nijinsky s Afternoon of a Faun to No l Coward s Private Lives highlight manifestations of and suggest ways of reading queer modernist performance Together these case studies clarify aspects of both the queer and the modernist and how their co productive intersection was articulated in and through performance on the late nineteenth and early twentieth century stage Performing Queer Modernism thus contributes to an expanded understanding of modernism across a range of performance genres the central role of performance within modernism more generally and the integral relation between performance history and the history of sexuality It also contributes to the ongoing transformation of the

field of modernist studies in which drama and performance remain under represented and to revisionist historiographies that approach modernist performance through feminist and queer critical perspectives and interdisciplinary frameworks and that consider how formally innovative as well as more conventional works collectively engaged with modernity at once reflecting and contributing to historical change in the domains of gender and sexuality

Hay Fever Noël Coward, 2016-02-25 First produced in 1925 Hay Fever is technically a masterpiece A comedy of bad manners which starts with the arrival of four guests invited independently by different members of the Bliss family for a weekend at their country house near Maidenhead The promise of an idyllic and peaceful weekend is quickly trounced by the self absorbed eccentricities of the family who leave the guests to slink away humiliated embarrassed and abandoned It does not date it is in the highest mood of fantastic comedy it is deliciously heartless and therefore deliciously alive and fresh The Times
