Positively Me Nozibele Mayaba, Sue Nyathi, 2024-05-08 My name is Nozibele Mayaba and I am HIV positive I am a devout Christian who did everything by the book worked hard got good marks found a steady job and helped to make life better for my family In our neighbourhood I was the girl other parents pointed to as a role model Until a few months before my diagnosis at age 22 I was a virgin Women like me don't get HIV But then I did It took me years to accept my new reality Speaking out freed me and completely changed my life Being HIV positive wasn't my first challenge and it won't be my last but it has been the hardest It also taught me an important lesson behind every statistic is a person with a name a family a story This is my story My name is Nozibele Mayaba I am HIV positive and I am still *positively me* An HIV positive diagnosis may no longer be a death sentence but it still changes everything In this frank vulnerable memoir as told to acclaimed writer Sue Nyathi activist and TV host Nozibele Mayaba talks about finding purpose when you think your life has come to an end

Utilisation of South African Research on Higher Education Jan Botha, Gabriele Vilyte, 2021-10-26 The relationship between research on the one hand and policy practice on the other hand is complicated and collaboration between scholars in research on higher education RHE and institutional research IR practitioners is often lacking This book marks a collaborative effort of a diverse range of South African RHE and IR scholars and asks the overarching questions What do we know about the utilisation of South African research on higher education SARHE and its subset of research known as Institutional Research How and by whom is this research used The book begins by looking at the historical underpinnings of SARHE and delineating the shape and size of this body of research This is followed by a series of case studies on South African Higher Education institutions and governmental bodies investigating how when and by whom are research on higher education and institutional research used in the decision making of these organisations This book is the first of its kind in South Africa and sets out to lay the groundwork for further research into the use uptake and utilisation of RHE and IR in this country

Corrupted Jonathan D Jansen, 2023-02-01 In South African higher education the images of dysfunction are everywhere Student protests Violence Police presence Rubber or real bullets Class disruptions Burning tyres Damaged buildings Injury and sometimes death Reports of wholesale corruption Year after year often in the same set of universities the problem of routine instability seems insoluble The financial academic and reputational costs of ongoing dysfunction are high especially for those universities caught up in the never ending struggle to overcome apartheid legacies Any number of explanations have been ventured including a lack of resources shortage of capacity rural location corrupt officials and endemic conflict *Corrupted* takes a deeper look at dysfunction in an attempt to unravel the root causes in a sample of South African universities At the heart of the problem lies the vexed issue of resources or more pertinently the relationship between resources and power who gets what and why Whatever else it aspires to be commonly a place of teaching learning research and public duty a university in an impoverished community is also a rich concentration of resources around which corrupt

staff students and those outside of campus all vie for access Taking a political economic approach Jonathan Jansen describes the daily struggle for institutional resources and offers accessible sensible insights He argues that the problem won't be solved through investments in capacity building alone because the combination of institutional capacity and institutional integrity contributes to serial instability in universities Rather durable solutions would include the depoliticisation of university councils and appointments of academics with integrity and capacity to manage and lead these fragile institutions This groundbreaking and long overdue study will offer a promising way forward for universities to better serve their communities and the country more broadly

Student Movements in Late Neoliberalism Lorenzo Cini, Donatella della Porta, César Guzmán-Concha, 2021-08-22 This book inquires into the global wave of student mobilizations that have arisen in the aftermath of the economic crisis of 2008 accounting for their historical and sociological significance More specifically its eleven chapters explore the role of students as political actors their ability to build effective organizations to make political alliances with other actors and to win public consensus as well as their impact on cultural political and policy outcomes To do so the volume examines case studies in England Chile South Africa Quebec and Hong Kong covering Europe Africa Asia and North and Latin America Grouped into two major sections the collection covers the organizational structures of student movements and their alliances and outcomes Ultimately this volume examines the understudied political aspects of student unrest exploring how student mobilizations driven by indebtedness precariousness the corporatization of the university and other issues correspond to larger processes of change with wider implications in society

Higher Education Pathways Ashwin, Paul, Case, Jennifer M., 2018-12-14 In what ways does access to undergraduate education have a transformative impact on people and societies What conditions are required for this impact to occur What are the pathways from an undergraduate education to the public good including inclusive economic development These questions have particular resonance in the South African higher education context which is attempting to tackle the challenges of widening access and improving completion rates in a system in which the segregations of the apartheid years are still apparent Higher education is recognised in core legislation as having a distinctive and crucial role in building post apartheid society Undergraduate education is seen as central to addressing skills shortages in South Africa It is also seen to yield significant social returns including a consistent positive impact on societal institutions and the development of a range of capabilities that have public as well as private benefits This book offers comprehensive contemporary evidence that allows for a fresh engagement with these pressing issues

Learning to teach in post-apartheid South Africa Yusuf Sayed, Nazir Carrim, Azeem Badroodien, Zahraa McDonald, Marcina Singh, 2018-11-28 Teacher education programmes seek to provide student teachers with the knowledge and expertise to provide quality teaching and learning in a diverse and challenging school context Learning to Teach in post apartheid South Africa Student Teachers Encounters with Initial Teacher Education addresses the complexities of teacher education programmes in preparing students to teach It adds to the knowledge about

teacher education contributing critical understanding of education and the schooling system The book provides important insights to deepen researchers academics teacher education providers policy makers and students understanding of the importance to address equity redress and quality in South African education in a post apartheid era This book further helps to build student teachers capacities to work creatively and to become active and critical agents of transformation It ultimately outlines the challenges face in designing and delivering successful Initial Teacher Education programmes and the impact this has on delivering equitable and quality education

Campus Student Activism, Politics, and Citizenship in the 21st Century Tshishonga, Ndwakhulu, 2025-04-03 Student activism and citizenship remain an integral part of the governance of academic institutions democratizing the learning environment and advancing democratic values and societal change As a result student activism has become a key aspect of the global higher education landscape Individually and through the student councils students have been at the forefront fighting for social justice and equality inside their academic institutions and in larger society by fusing activism with citizenship Through student activism and citizenship students demonstrate their power to keep governments responsible and in redirecting the voices of students in higher education s decision making processes Further exploration may afford students the opportunity to influence social change by partaking in educational policy reforms and broadening global sociopolitical and economic growth Campus Student Activism Politics and Citizenship in the 21st Century examines the dynamics of campus politics through student activism and citizenship perspectives academia public private and civil society sectors It explores how student leadership engages university society stakeholders including management and governance structures and student welfare and institutional policy reformation in defense of the rights and interests of students This book covers topics such as higher education political engagement and social justice and is a useful resource for policymakers government officials sociologists political scientists academicians and researchers
