No Demons Please Were Evangelical The Spiritual Roots Of Porn Addiction:

No Demons, Please... We're Evangelical Bryan Fraser, 2013-01-19 Today's high profile evangelical men's ministries focus almost entirely on how men can overcome addictive behaviors through teaching mutual encouragement and discipline. While this approach is helpful for the unenslaved, it crushes men already captive to pornography. This book exposes the demonic energy behind three delusions common to Christian men addicted to pornography. My compulsions originate internally rather than externally so I can't deny who I am. I deserve to act out this way because God made me with these irresistible compulsions and I can temporarily indulge in pornography and then return unchanged to the point where I fell away. Using the testimony of his own deliverance from pornography addiction, a seminary-trained pastor pleads for the church to exercise its rightful authority in spiritual warfare to drive out the unclean spirits that masquerade as our own thoughts. **No**

Demons, Please... We're Evangelical Bryan Fraser, 2013-01-01 This is the book for Christian men who have read all the books on every man's struggle, attended all the conferences, installed all the anti-porn software, spilled their guts to accountability partners, yet are still getting beat up by more than temptation. It describes that missing piece of the puzzle, the one we silently avoid: necessary to drive out the spirits that masquerade as our own thoughts. **No Demons Please We're Evangelical** is the personal testimony of an evangelical written for evangelicals. It describes how a seminary-trained pastor, with as many qualms as you about the potential excesses of spiritual warfare, was delivered from demonic deception and delusion. This book is for every man who is tired of living in a prison with no locks on its doors and wants to kick the enemy out of his house. The Battle Against Sexual Sin Uchechukwu K. Ozua, *The Battle Against Sexual Sin: A Christian Perspective* is all about the importance of learning and understanding sexual sins, its dangers, and freedom from it through sexual purity. The book explains the unnaturalness of sexual perversions, its harbingers, and the characters involved in the acts. Highlights include sexual sin and sexual perversions, masturbation, sexting, sexual sin and teenagers. The author uses this book to tell the readers that despite how sexually amoral the world has become, Christians can live a chaste and undefiled life through the grace of God. After reading this book, you will understand how sexual perversions are generated, who generates them, what consequences are involved, and most importantly, how to be free from them. The book will tell you how to keep yourself body, soul, and spirit undefiled like a purified life in this crooked and perverse generation. **Reality/The Inconceivable Truth**

Michael Duncan, 2014-01-16 This book's aim is to impart the ultimate purpose of human existence, and that goal is called self-realization. It is to restore our lost connection with our divine friend, who is and has always been situated within the core of our hearts. The conscious effort of reviving one's relationship with the Lord's localized feature is also known as the dovetailing process. The author, Mike Duncan, seeks to imbue to his readers a taste of the stunning truth about God, a taste said to be so sweet that it is sure to motivate the sincere truth-seeking soul to investigate the eternal, transcendental science by which one can come to know everything about Him. The author concludes that this science of self-realization, established

personally by God is the eternally approved method of approaching Him It is the only means by which one can rise above the illusory bodily conception of life to the spiritual platform the platform of reality on which everything is known In the present degraded age of Kali the age of quarrel there is a special potency which is available to persons who accept the descending spiritual authority His Divine Grace Srila Prabhupada is the latest descendant from the spiritual world who is authorized by the Lord to present Him to the inhabitants of this mortal world His Grace is instructing as follows One who is ignorant of the scientific knowledge of the soul does not look inside the body to find happiness in the soul The living being covered by the material body does not see the happiness within himself but runs after happiness in the material world When one understands his real identity as spiritual being he can understand the supreme spiritual being Krishna and the real happiness exchanged between Krishna and one's self SB 7.13.29
