No Regrets Maryann Santos, 2013-10-02 In one second the Santos family was changed forever Driving along a toll road in Chicago a semi truck plowed into the rear end of the family vehicle instantly killing two year old Amanda affectionately known as Mandy and seriously injuring her parents What happens when you dare to trust God in the midst of tragedy What is the message that God gave to share through the death of Amanda What was Mandys life supposed to show us No Regrets author Maryann Santos believes the answer is found not through the eyes of the world but through the heart of a child Raising Amanda Maryann thought she was teaching her but the truth is that Mandy taught her about life in the most unexpected ways Through this tragic accident No Regrets relates the story of Gods sovereign power and mighty hand of restoration using illustrations and powerful sermons by well known Christian leaders and teachers The purpose of this book is to reveal biblical truths hidden in plain sight often lost in the shuffle of everyday life Lets face it We are all going to die sooner or later It just seems that most of us live past the age of two It is never easy to lose someone you love especially a child but I hope my loss is your gain for eternity

Live Life with No Regrets Anne Bachrach, 2011-09-22 You make your own choices The choices you make will impact your life positively or negatively depending on the choice Choose to live your life with no regrets from this day forward You choose where to live and how to live If you don t like any part of your life choose to change it and start today Imagine reflecting on your past from any point in your long happy life and having no regrets How did you get here Maybe it s too late for you to live a life of no regrets but what about your future life What would have to happen from this point going forward for you to live a life of no regrets Regrets are a waste of time anyway as you

can't change the past So let go of the past and decide to choose to live your life with no regrets from this day forward Living a life of no regrets doesn't mean perfection It means that we choose to make decisions with a little more thought When we look back on the choices we have made will we regret any of the choices Is a successful and happy life with few or no regrets a choice Is success a choice or a chance collision of various uncontrollable factors In studying self improvement we learn that we can't change others nor can we single handedly change the world However we do have the power to change our own lives This is the single most important message in self improvement You do not have to settle for what you think is life's role for you You are not doomed to live a life you are unhappy living You are not enslaved to other people Any and all of these self limiting beliefs can be overcome If what you are currently doing doesn't serve you you can choose to change it right now You can choose to start by taking baby steps Start by having a day without regrets How about a business trip where you don't have any regrets What would a vacation without regrets look like and feel like What would have to happen to have an argument or touchy conversation with your spouse or child without regrets How would you have a conversation with a client you don't enjoy and not have any regrets How would you communicate with employees who may not be working to your expectations and not have any regrets Could you have a day of making everyday business decisions and personal choices without any regrets What would a day without regrets look like and feel like What would a week of no regrets look like and feel like What would a month of no regrets look like and feel like Invest in this program today and start life with no regrets tomorrow
