No Trespassing Squatting Rent Strikes And Land Struggles Worldwide

Bea Wittger

No Trespassing Squatting Rent Strikes And Land Struggles Worldwide:

No Trespassing! Anders Corr, 1999 A squatter s manifesto is at hand Charles Geisler Cornell University Kritiek 2009
Leendert van Hoogenhuijze, Jasper Lukkezen, Anne Petterson, Bart van der Steen, 2009-05-29 Kritiek Jaarboek voor
socialistische discussie en analyse is een academische uitgave en biedt ruimte aan artikelen van beschouwende theoretische
historische en polemische aard over zaken die van belang zijn voor de huidige linkse beweging In dit nummer is er aandacht
voor de positie en strijd van illegale migranten en stedelijke sociale conflicten Zo wordt het migratiebeleid in de Verenigde
Staten onder de loep genomen en vergeleken met de situatie in Nederland Vervolgens worden verschillende
kraakbewegingen in Europa met elkaar vergeleken en in een breder perspectief geplaatst Daarnaast worden enige discussies
voortgezet Zo laat Bart Snels directeur van het Wetenschappelijk Bureau van GroenLinks zijn licht schijnen over de crisis van
groene partijen die in het vorige nummer werd waargenomen En drie actieve socialistes reageren op het discussiestuk van
Ronald van Raak over het internationalisme van de SP Het nummer bevat bijdragen van vooraanstaande wetenschappers en
activisten als Marlou Schrover Erik Swyngedouw Peter Birke Pepijn Brandon Henny Buiting en Hans Pruijt Een must voor
linkse denkers en doeners

Do It Yourself Trapeze, The Trapeze Collective, 2007-05-20 Do you really want to change the
world If the answer is YES then this book shows you how Ethical consumerism is now big business But leading a sustainable
and truly radical life encompasses a whole variety of things that challenge the mainstream This book shows how we can
make real changes to the way we live In simple steps it describes how you can create sustainable and equitable ways of living
that can help transform not just your own life but the culture around you The book weaves together analysis stories and
experiences It combines in depth analytical chapters followed by easy to follow How to Guides with practical ideas for change
Taken together these small steps can move us towards taking back control of our lives from governments and corporations

Social Movements in 1980s Sweden Helena Hill, Andrés Brink Pinto, 2023-06-04 This open access book discusses the
emergence and development and in some cases also the disappearance of social movements and activism in Sweden during
the 1980s Its aim is to nuance and problematize the image of the 1980s as unilaterally dominated by right wing politics and
neoliberalism as well as the idea of a conflict free Scandinavian model The 1980s have often been described as a period when
the influence of radical left movements during the 1970s diminished Instead this book argues that the 1980s was a decade in
which new radical social movements emerged in opposition to the prevalent political order including the nuclear
disarmament movement the women s movement anti fascist movements and the punk and environmental movements The
authors also demonstrate how issues such as squatting nuclear resistance rent strikes and the environment included a
variety of contentious collective action Sweden therefore presents an interesting example of how resistance and conflict in a
strong welfare state have been influenced by contentious social movements Placing Sweden within the wider context of
Scandinavia and Europe this edited collection makes an important contribution to the history of social movements *The*

Tenants' Movement Quintin Bradley, 2014-05-09 The Tenants Movement is both a history of tenant organization and mobilization and a guide to understanding how the struggles of tenant organizers have come to shape housing policy today Charting the history of tenant mobilization and the rise of consumer movements in housing it is one of the first cross cultural historical analyses of tenants organizations roles in housing policy The Tenants Movement shows both the past and future of tenant mobilization The book s approach applies social movement theory to housing studies and bridges gaps between research in urban sociology urban studies and the built environment and provides a challenging study of the ability of contemporary social movements community campaigns and urban struggles to shape the debate around public services and engage with the unfinished project of welfare reform **The Revolution Will Not Be Microwaved** Sandor Ellix

Katz, 2006-11-15 From James Beard Award winner and New York Times bestselling author of *The Art of Fermentation* An instant classic for a new generation of monkey wrenching food activists Food in America is cheap and abundant yet the vast majority of it is diminished in terms of flavor and nutrition anonymous and mysterious after being shipped thousands of miles and passing through inscrutable supply chains and controlled by multinational corporations In our system of globalized food commodities convenience replaces quality and a connection to the source of our food Most of us know almost nothing about how our food is grown or produced where it comes from and what health value it really has It is food as pure corporate commodity We all deserve much better than that In *The Revolution Will Not Be Microwaved* author Sandor Ellix Katz Sandor Katz s *Fermentation Journeys* *The Art of Fermentation* and *Wild Fermentation* profiles grassroots activists who are taking on Big Food creating meaningful alternatives and challenging the way many Americans think about food From community supported local farmers community gardeners and seed saving activists to underground distribution networks of contraband foods and food resources rescued from the waste stream this book shows how ordinary people can resist the dominant system revive community based food production and take direct responsibility for their own health and nutrition

Squatting and the State Lorna Fox O'Mahony, Marc L. Roark, 2022-08-25 This book offers a fresh theoretical approach and methodology for tackling the most pressing property problems of our time **The Autonomous City** Alexander Vasudevan, 2023-01-03 A radical history of squatting and the struggle for the right to remake the city *The Autonomous City* is the first popular history of squatting as practised in Europe and North America Alex Vasudevan retraces the struggle for housing in Amsterdam Berlin Copenhagen Detroit Hamburg London Madrid Milan New York and Vancouver He looks at the organisation of alternative forms of housing from Copenhagen s Freetown Christiania to the squats of the Lower East Side as well as the official response including the recent criminalisation of squatting the brutal eviction of squatters and their widespread vilification Pictured as a way to reimagine and reclaim the city squatting offers an alternative to housing insecurity oppressive property speculation and the negative effects of urban regeneration We must more than ever reanimate and remake the urban environment as a site of radical social transformation Squatting in Rio de Janeiro Bea

Wittger,2017-04-15 The Brazilian Constitution provides a remarkable set of social rights including the right to housing Despite this fact struggles for decent living conditions have become key issues in the daily urban lives of many people in Brazil Contesting the differentiated access to housing social movements occupy empty buildings in the cities to challenge historically rooted and excluding urban politics Exploring the occupants agency Bea Wittger draws attention to the important role of female actors within the buildings Through oral histories of participants of two squats in Rio de Janeiro the book delivers a deep insight from below into their own perspectives on citizenship and gender Subversive Property Sarah Keenan,2014-08-13 This book explores the relationship between space subjectivity and property in order to invert conventional socio legal understandings of property Sarah Keenan demonstrates that new political possibilities for property may be unveiled by thinking about property in terms of space and belonging rather than exclusion Drawing on feminist and critical race theory this book shifts focus away from the propertied subject and on to the broader spaces in and through which the propertied subject is located Using case studies such as analyses of compulsory leases under Australia s Northern Territory Intervention and lesbian asylum cases from a range of jurisdictions Keenan argues that these spaces consist of networks of relations that revolve around belonging not just belonging between subject and object as property is traditionally understood but also the less explored relation of belonging between the part and the whole This book therefore offers a conceptually useful way of analysing a wide range of socio legal issues It will be of relevance to those working in the area of property and legal geography but also to those with more general interests in socio legal studies social and political theory postcolonial studies critical race studies and gender and sexuality studies

Decoding **No Trespassing Squatting Rent Strikes And Land Struggles Worldwide**: Revealing the Captivating Potential of Verbal Expression
