No Easy Place To Be A Novel:

No Easy Answer Sally Smith,2012-01-18 Parents and teachers of learning disabled children have turned to Sally Smith's *No Easy Answers* for information, advice and comfort for more than fifteen years. In this revised trade paperback edition of the latest information on learning disabilities in a clear, honest and accessible way. This completely updated edition contains new chapters on Attention Deficit Disorder and Attention Deficit Hyperactivity Disorder and on the public laws that guarantee an equal education for learning disabled children. There is also an entirely new section on learning disabled adults and the laws that protect them. Sally Smith, the parent of a learning disabled child herself, guides parents along every step of the way from determining if their child is learning disabled to challenging the school system to provide special services. Drawing on more than twenty-five years of experience at her own nationally acclaimed school, she also offers valuable strategies to teachers who are anxious or discouraged as they struggle with learning disabled students. Although there are no easy answers, Sally Smith's experience, wealth of information and sense of humor provide essential support. *Evidence of Being* Darius Bost,2018-12-21 *Evidence of Being* opens on a grim scene: Washington DC's gay black community in the 1980s ravaged by AIDS, the crack epidemic and a series of unsolved murders seemingly abandoned by the government and mainstream culture. Yet in this darkest of moments, a new vision of community and hope managed to emerge. Darius Bost's account of the media, poetry and performance of this time and place reveals a stunning confluence of activism and the arts. In Washington and New York during the 1980s and 90s, gay black men banded together using creative expression as a tool to challenge the widespread views that marked them as unworthy of grief. They created art that enriched and reimagined their lives in the face of pain and neglect while at the same time forging a path toward bold new modes of existence. At once a corrective to the predominantly white male accounts of the AIDS crisis and an openhearted depiction of the possibilities of black gay life, *Evidence of Being* above all insists on the primacy of community over loneliness and hope over despair.

Remapping Southern Literature

Robert H. Brinkmeyer, 2010-07 The fiction of Doris Betts Barry Hannah Cormac McCarthy Madison Smartt Bell Richard Ford Rick Bass Barbara Kingsolver Chris Offutt Frederick Barthelme Dorothy Allison and Clyde Edgerton among others challenges long standing definitions of Southern fiction and regional identity and reconfigures the myths of the West that have shaped American life In Remapping Southern Literature Brinkmeyer proposes that today's Southern writers are not by this shift abandoning Southern culture but are instead expanding its reach by seeking to balance the ideals of the South and West
