No Mans Land Fiction From A World At War:

The Emperor and the Peasant Kenneth Janda, 2018-01-12 There was more to World War I than the Western Front This history juxtaposes the experiences of a monarch and a peasant on the Eastern Front Franz Josef I emperor of Austria Hungary was the first European leader to declare war in 1914 and was the first to commence firing Samuel Mozolák was a Slovak laborer who sailed to New York and fathered twins taken as babies and U S citizens to his home village before being drafted into the Austro Hungarian army and killed in combat The author interprets the views of the war of Franz Josef and his contemporaries Kaiser Wilhelm II and Tsar Nicholas II Mozolák's story depicts the life of a peasant in an army staffed by aristocrats and also illustrates the pattern of East European immigration to America [The Language of Doctor Who](#) Jason Barr, Camille D. G. Mustachio, 2014-05-15 In a richly developed fictional universe Doctor Who a wandering survivor of a once powerful alien civilization possesses powers beyond human comprehension He can bend the fabric of time and space with his TARDIS alter the destiny of worlds and drive entire species into extinction The good doctor's eleven regenerations and fifty years worth of adventures make him the longest lived hero in science fiction television In [The Language of Doctor Who](#) From Shakespeare to Alien Tongues Jason Barr and Camille D G Mustachio present several essays that use language as an entry point into the character and his universe Ranging from the original to the rebooted television series through the adventures of the first eleven Doctors these essays explore how written and spoken language have been used to define the Doctor's ever changing identities shape his relationships with his many companions and give him power over his enemies even the implacable Daleks Individual essays focus on fairy tales myths medical travel narratives nursery rhymes and of course Shakespeare Contributors consider how the Doctor's companions speak with him through graffiti how the Doctor himself uses postmodern linguistics to communicate with alien species and how language both unites and divides fans of classic Who and new Who as they try to converse with each other Broad in scope innovative in approach and informed by a deep affection for the program [The Language of Doctor Who](#) will appeal to scholars of science fiction television and language as well as to fans looking for a new perspective on their favorite Time Lord **Fictional Death and the Modernist Enterprise** Alan Warren Friedman, 1995-01-26 This 1995 book analyses of the semiotics of death and dying in twentieth century fiction history and culture **The Great War in Post-Memory Literature and Film** Martin Löschnigg, Marzena Sokolowska-Paryz, 2014-10-14 The twenty seven original contributions to this volume investigate the ways in which the First World War has been commemorated and represented internationally in prose fiction drama film docudrama and comics from the 1960s until the present The volume thus provides a comprehensive survey of the cultural memory of the war as reflected in various media across national cultures addressing the complex connections between the cultural post memory of the war and its mediation In four sections the essays investigate 1 the cultural legacy of the Great War including its mythology and iconography 2 the implications of different forms and media for representing the war 3 national memories foregrounding the

differences in post memory representations and interpretations of the Great War and 4 representations of the Great War within larger temporal or spatial frameworks focusing specifically on the ideological dimensions of its remembrance in historical socio political gender oriented and post colonial contexts

Adapting Graham Greene Richard J. Hand,Andrew Purssell,2014-12-12 Graham Greene was one of the most versatile writers of the 20th century and he remains a figure of particular interest to those concerned with the relationship between literature and cinema As well as being a skilled screenwriter in his own right most famously with The Third Man Greene's fiction has proved to be a perennially popular source for adaptation appealing to the broadest range of filmmakers imaginable In this engaging and accessibly written study Richard J Hand and Andrew Purssell introduce adaptation studies and its relation to Greene's works They present new and incisive readings of key texts including the various screen versions of Brighton Rock The End of the Affair and The Quiet American among others and offer a critical examination of the industries in which Greene functioned as author screenwriter

film critic and cultural figure By closely exploring the various critical aspects of Greene and adaptation and by encouraging readers to engage with the topics discussed through the inclusion of innovative exercises Adapting Graham Greene makes a significant contribution to Graham Greene Studies and Adaptation Studies as well as to Film and Literary Studies more generally

"There It Is": Narratives of the Vietnam War Tom Burns, 2021-09-06 This book provides a critical survey of the literature on the Vietnam War and is intended both for academic and general readers Earlier works of this kind constantly recycled criticism of a half dozen of the same works In this study the aim was to discuss a much greater number of works including a few that have never been discussed To appeal to non academic readers Lit Crit jargon was kept to a minimum and parallels with earlier works of war literature especially those of the two world wars were established

The Lost Battalion and the Meuse-Argonne, 1918 Micheal Clodfelter, 2007-01-01 This volume with exhaustive on site research details America s last major offensive of World War I the Battle of the Meuse Argonne which took place from September 26 through November 11 1918 It examines the movements and countermovements that comprised the still unequaled conflict of the Argonne Forest The main focus of the work is the five day isolation and besiegement of the so called Lost Battalion From October 2 to 5 Major Charles Whittlesey and 554 men were cut off from all other U S units and attacked by German forces in an area known as The Pocket Written with a view toward bringing this legendary tale to a more personal level the work creates a vivid picture of the men who lived fought and died in the final all consuming battle of World War I
