No Substitute For Myth:

Theofatalism Lewis Tagliaferre, 2013-06-10 When your world of traditional assumptions is shaken where do you turn for inner peace and personal comfort Considering Pascals wager if there is no god and we disbelieve we have lost nothing but if there is a god and we disbelieve we may have lost everything But what if there is no free will and we all must believe whatever we are given That is the primary question that pushed this author into investigating what the world religions and philosophies taught about the existential puzzle called life When my traditional faith failed to provide any comfort after untimely death of my wife I began searching for some belief I could live with and this is what I was given Many thinking people have rejected the mythical god of the Bible and the Quran but they have not found a suitable substitute Since there is no proof for or against the existence of God everyone must be agnostic or atheist if they will admit it Perhaps it is time to replace the anthropomorphic god with one that really works Not the god of the Bible or the Quran but the prime force in the universe Generator Operator Destroyer G O D The expanded and updated essays in the second edition of this book develop such a new theology

The Longing for Myth in Germany George S. Williamson, 2004-07 Since the dawn of Romanticism artists and intellectuals in Germany have maintained an abiding interest in the gods and myths of antiquity while calling for a new mythology suitable to the modern age In this study George S Williamson examines the factors that gave rise to this distinct and profound longing for myth In doing so he demonstrates the entanglement of aesthetic and philosophical ambitions in Germany with some of the major religious conflicts of the nineteenth century Through readings of key intellectuals ranging from Herder and Schelling to Wagner and Nietzsche Williamson highlights three crucial factors in the emergence of the German engagement with myth the tradition of Philhellenist neohumanism a critique of contemporary aesthetic and public life as dominated by private interests and a rejection of the Bible by many Protestant scholars as the product of a foreign Oriental culture According to Williamson the discourse on myth in Germany remained bound up with problems of Protestant theology and confessional conflict through the nineteenth century and beyond A compelling adventure in intellectual history this study uncovers the foundations of Germany's fascination with myth and its enduring cultural legacy

Lessons from Sedona: a Spiritual Pathway to Serenity and Contentment Lewis Tagliaferre, 2010-04-16 Based upon the works of some of the worlds greatest thinkers *Lessons from Sedona A Spiritual Pathway to Serenity and Contentment* by author Lewis Tagliaferre builds on the success of his first volume *Voices of Sedona* This new comprehensive collection of essays is designed to teach the fundamental principles of Theofatalism the belief that God runs everything in the universe from the smallest subatomic particle to the largest interstellar galaxy The essays link the five principles developed in *Voices of Sedona* to contemporary issues in society and personal living including politics science religion aging history and economics Useful for both self study and as lesson guides to be used in organized discussion groups the essays show the world as it really is from many different perspectives A comprehensive and formidable source on metaphysics and spirituality

Lessons from Sedona A Spiritual Pathway to Serenity and Contentment provides a plethora of information for those interested in growing changing and transcending the limiting constrictions of consensus beliefs It communicates humankind's unique place in time and space and their special role in the giant jigsaw puzzle of life **Myths of Work** Ian

MacRae, 2022-10-03 Buying a table tennis table will make your staff happier Working eight hours a day five days a week will result in the most productivity Paying higher salaries will always result in higher motivation But will it really There are a staggering number of myths stereotypes and out of date rules that abound in the workplace This can make it feel impossible to truly know how to get the most out of your career your team and your company In **Myths of Work** Ian MacRae takes an entertaining and evidence based look at the most pervasive myths about our working lives from the serious to the ridiculous to give you the insight you need to become a better manager in the modern workplace Fascinating real life case studies from organizations around the world display the myths and how to overcome them in practice **Myths of Work** combines business thinking with psychology to give you practical insights a lively writing style and a handy dip in and out structure to form your ultimate guide to becoming a better and enlightened manager About the Business Myths series The Business Myths series tackles the falsehoods that pervade the business world From leadership and management to social media and the workplace these accessible books overturn out of date assumptions skewer stereotypes and put oft repeated slogans to the myth busting test Both entertaining and rigorously researched these books will equip you with the insight and no nonsense wisdom you need to succeed **Starf*cker: The Catastrophic Conjunction of Venus and Mars** , **Jesus: Evidence and**

Argument or Mythicist Myths? Maurice Casey, 2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can't **One Hundred Myths**

about the Middle East Fred Halliday, 2005-02-03 Much has been written in recent years about the Middle East At the same time no other region has been as misunderstood nor framed in so many clichés and mistakenly held beliefs In this much needed expos Fred Halliday selects one hundred of the most commonly misconstrued facts in the political cultural social and historical spheres and illuminates each case without compromising its underlying complexities The Israel Palestine crisis the Iran Iraq war the US led Gulf incursions the Afghan Soviet conflict and other significant milestones in modern Middle East

history come under scrutiny here with conclusions that will surprise and enlighten many for going so persuasively against the grain

Hindu Mythology Quiz Book Pankaj Dixit, 2009-01-01 HINDU MYTHOLOGY QUIZ BOOK Testing Your Knowledge of Ancient Tales and Legends by PANKAJ DIXIT is an engaging and enlightening journey into the rich tapestry of Hindu mythology This unique quiz book challenges readers to test their knowledge of the ancient stories deities and legends that have shaped one of the world's oldest religions With carefully crafted questions Pankaj Dixit offers an interactive experience that deepens understanding while making learning fun and engaging mythology is a vast and fascinating realm filled with divine characters epic tales and philosophical wisdom MYTHOLOGY QUIZ BOOK presents an opportunity to explore these captivating narratives in an enjoyable format Whether you are familiar with the stories of Rama Krishna and Shiva or just beginning to delve into the wonders of Hindu tradition this book will intrigue educate and challenge you than just a quiz book this collection serves as a mini encyclopedia of Hinduism offering insights into its fundamental principles temple architecture rituals and art forms The chapter on Homas Yajnas and fire rituals is a particularly valuable addition shedding light on ancient Vedic traditions that continue to shape religious practices today Whether you are a scholar a devotee or simply a curious reader this book is a gateway to deeper knowledge and appreciation of Hindu mythology A must have for mythology enthusiasts This book is not only a fun and interactive way to test knowledge but also a fantastic resource for learning about Hindu myths Pankaj Dixit has done an excellent job making mythology accessible and engaging An enjoyable and well researched quiz book The questions range from easy to challenging making it suitable for both beginners and experts Some explanations could be more detailed but overall it's a great way to explore Hindu mythology A fascinating and thought provoking read The quiz format makes it fun and interactive and I appreciated the breadth of topics covered I would have loved even more background on some myths but it's a valuable resource for all ages A good book for testing your knowledge of Hindu mythology though I was hoping for more in depth explanations of some of the stories Still it's a great way to learn and challenge oneself Brilliantly compiled and well structured This book not only challenges your knowledge but also educates you along the way The section on Vedic rituals and temple architecture was especially enlightening Highly recommended for mythology lovers

Dictionary of Illustrations Adapted to Christian Teaching, Embracing Mythology, Analogies, Legends ... and Religious Anecdotes, Etc. ... Elon Foster, 1873

30 Great Myths about Shakespeare Laurie Maguire, Emma Smith, 2013-01-22 Think you know Shakespeare Think again Was a real skull used in the first performance of Hamlet Were Shakespeare's plays Elizabethan blockbusters How much do we really know about the playwright's life And what of his notorious relationship with his wife Exploring and exploding 30 popular myths about the great playwright this illuminating new book evaluates all the evidence to show how historical material or its absence can be interpreted and misinterpreted and what this reveals about our own personal investment in the stories we tell
