*THE NOAH REMNANT* JW Luff, 2015-11-27 For thousands of years Christians have prayed to the God of Creation to USE THEM IN A MIGHTY WAY Dereck Becker is one of those Christians and the young pilot has learned a valuable lesson today Be careful what you volunteer for Dereck and his wife Nicole along with 278 other believers have just been drafted into God's army The group has awakened onboard a starship that after being sent through an artificially created wormhole is now 80 lightyears from Earth The alien reactor that was used for the transition is out of fuel so going back is not an option God only knows why this remnant of the human race was chosen for this journey For now survival is their top priority They are approaching what they think is an uninhabited planet And not only that they've discovered Nicole is expecting This unborn child will grow up to carry the fate of two societies on her fragile shoulders [www.amazon.com/author/jwluff](http://www.amazon.com/author/jwluff) **THE NOAH WARRIORS** JW Luff, 2017-10-14 Twenty years ago Earth was invaded by an alien race Its once great cities have been reduced to ruins Those that didn't die in the initial battles are rounded up for slave labor A reptilian race known as the Draki are led by a powerful being that considers itself a god The most violent place on the planet is the area formally known as the United States America was the last to fall Some say the U S is gone forever But deep underground a nation is rebuilding itself New weapons new tactics The aliens suspect the humans are planning an uprising But that's not the least of their problems Five years before the invasion God removed a remnant of the human race That remnant is coming home and they're bringing some friends along with them And they have a score to settle too
