Thursday's Child
SONYA HARTNETT

Nice Thursdays Child Sonya Hartnett

Rachel Falconer

Nice Thursdays Child Sonya Hartnett:

Thursday's Child Sonya Hartnett, 2011-05-24 Harper and her family live in a ramshackle house in the country Her brother Tin lives below them building tunnels It is the Depression and each of them is coping in their own way One year their lives are changed forever by the misguided actions of a well heeled neighbour The Outside Child, In and Out of the Book Christine Wilkie-Stibbs, 2008-03-25 Christine Wilkie Stibbs juxtaposes the narratives of literary and actual outsider children to explore how Western culture has imagined defined and dealt with various marginalized children whether orphans homeless refugees or victims of abuse *The Crossover Novel* Rachel Falconer, 2008-10-21 Highly recommended by Choice While crossover books such as Rowling s Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory Reading the Child in Children's Literature David Rudd, 2017-09-16 An essential text that provides students with a dynamic sophisticated and controversial look at the critical representation of the child in children s literature arguing for a more open and eclectic approach one that celebrates the diverse power appeal and possibilities of children s literature Drawing on psychoanalytically informed perspectives David Rudd shows students how theory can be both exciting and liberating This is a thought provoking supplementary text for modules on Children s literature or literary theory which may be offered at the upper levels of an undergraduate literature degree In addition it is a stimulating resource for advanced students who may be studying children s literature or literary theory as part of a taught postgraduate degree in literature Power, Voice and Subjectivity in Literature for Young Readers Maria Nikolajeva, 2009-09-10 This book considers one of the most controversial aspects of children s and young adult literature its use as an instrument of power Children in contemporary Western society are oppressed and powerless yet they are allowed in fiction written by adults for the enlightenment and enjoyment of children to become strong brave rich powerful and independent on certain conditions and for a limited time Though the best children s literature offers readers the potential to challenge the authority of adults many authors use artistic means such as the narrative voice and the subject position to manipulate the child reader Looking at key works from the eighteenth century to the present Nikolajeva explores topics such as genre gender crossvocalization species and picturebook images Contemporary power theories including social and cultural studies carnival theory feminism postcolonial and queer studies and narratology are also considered in order to demonstrate how a balance is maintained between the two opposite inherent goals of children s literature to empower and to educate the child *Mother-Texts* Julie Kelso, Marie Porter, 2010-07-12 Every day human beings tell and are told stories sometimes in obvious ways sometimes not

Most of our communication with each other direct or indirect involves narrative production and reception Narrative is constitutive of human being However whose narratives are heard Feminists argue that the relations between language knowledge gender and power particularly the question as to whether man made and controlled language is a material fit to receive and convey woman s stories are critical issues because historically patriarchy has worked to silence women s dialogue Male knowledge unsurprisingly created and continues to create unrepresentative maternal narratives which lead to unreal expectations of mothers and motherwork It is therefore disconcertingly significant for mothers that neither mothers nor their motherwork have been considered worthy of historical record nor are historical records usually written from a mother s perspective Hence the narrative research in this book which gives recognition to motherhood mothers and or the work they do is valuable It adds to the rapidly accumulating maternal research research that is now available for the historical record Mothers are speaking up developing a canon of literature research narrated in maternal language and claiming maternal knowledge and power

The Story Maker Motivator Frances Dickens,2017-07-05 The Story Maker Motivator is an inspiring resource for educators and anyone else aiming to help secondary school pupils write and think creatively Based on tried and tested activities and approaches first presented in the authors award winning book for primary schools this is a unique collection of classroom materials If I was Head of English I would definitely use it It is packed with ideas there are so many lessons a teacher could get out of it It is different from anything I have seen Roger Mason retired Head Teacher of Backwell Secondary School Bristol Topics covered include narrative planning beginnings cliffhangers suspense hooks endings objects characters feelings settings speech and sound descriptive story elements and thesauruses Other key features include a mixture of photos illustrations and scenarios to inspire creativity sample plans to help you devise stimulating lessons downloadable resources containing printable versions of activities and lesson plans Suitable for English teachers student teachers EFL teachers special needs teachers learning support teachers and parents working at home with their children this wide ranging resource provides a unique approach to broadening writing and thinking skills You may also be interested in the award winning book for primary schools by the same author The Story Maker

Crossover Fiction Sandra L. Beckett,2010-11-24 In *Crossover Fiction* Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture

Metaphysics of Children's Literature Lisa Sainsbury,2021-01-28 *Metaphysics of Children s Literature* is the first sustained study of ways in which children s literature confronts metaphysical questions about reality and the nature of what there is in the world In its exploration of something and nothing this book identifies a number of metaphysical

structures in texts for young people such as the ontological exchange or nowhere in extremis demonstrating that their entanglement with the workings of reality is unique to the conditions of children's literature. Drawing on contemporary children's literature discourse and metaphysicians from Heidegger and Levinas to Bachelard, Sartre, and Haraway, Lisa Sainsbury reveals the metaphysical groundwork of children's literature. Authors and illustrators covered include Allan and Janet Ahlberg, Mac Barnett, Ron Brooks, Peter Brown, Lewis Carroll, Eoin Colfer, Gary Crew, Roald Dahl, Roddy Doyle, Imme Dros, Sarah Ellis, Mem Fox, Zana Fraillon, Libby Gleeson, Kenneth Grahame, Armin Greder, Sonya Hartnett, Tana Hoban, Judy Horacek, Tove Jansson, Oliver Jeffers, Jon Klassen, Elaine Konigsburg, Norman Lindsay, Geraldine McCaughrean, Robert Macfarlane, Jackie Morris, Edith Nesbit, Mary Norton, Jill Paton Walsh, Philippa Pearce, Ivan Southall, William Steig, Shaun Tan, Tarjei Vesaas, David Wiesner, Margaret Wild, Jacqueline Woodson, and many others.

Power, Voice and Subjectivity in Literature for Young Readers Maria Nikolajeva, 2009-09-10. Looking at key works from the eighteenth century to the present, Nikolajeva explores topics such as genre, gender, crossvocalization, species, and picturebook images in order to demonstrate how a balance is maintained between the two opposite inherent goals of children's literature: to empower and to educate the child.
