Starting Monday Karen, 2013-10-21 Starting Monday is based on the simple premise that when our behaviors don't align with our expressed intentions we've got a conflict going on often outside of our awareness. The book helps readers dig deeply into their psyches to figure out what mistaken beliefs and needless fears are holding them back from achieving their health and fitness goals. The polarized feelings for disordered eaters to identify and resolve fall within these 7 key areas: 1. create lasting change 2. making conscious choices 3. feel deserving 4. how to comfort themselves 5. know what's enough 6. manage intimacy and 7. developing a healthy identity. Starting Monday first helps readers unearth their mixed feelings in these seven areas, then teaches them how to change their beliefs and behaviors to resolve them. Using humor, plain talk, examples from her clinical experience, reflection exercises, case studies, and homework, Koenig lets troubled eaters know that their yo-yo patterns of eating and self-care are due to conflicts. She shies away from easy answers and instead provides hope and concrete actions to developing a permanent positive relationship with food.

Fat Wars Brad J. King, 2001-12-01 Yes, it's you against your 30 billion fat cells. They stay with you forever and can expand to store as much fat as you choose to stash in them. *Fat Wars: 45 Days to Transform Your Body* isn't another diet book. Instead, it's the book that will tell you how your body works, how it makes energy, how it stores fuel, fat, how it moves fat around, and how to get it to burn that fat instead of putting it into storage. Then *Fat Wars* will tell you how to take that knowledge to craft an eating and activity plan that will work for you. Instead of engaging in endless losing battles with your wily fat cells, find out what makes them tick. Then plan to live in harmony with your body and look forward to a leaner, fitter, and healthier you in 45 days.
