Repton was killed while surveilling the members of a household with alleged ties to fascists who threaten the security of the country as Hitler's influence spreads across Europe. Elena Standish is assigned the case thanks to her new connection to the Wyndham family. Her older sister Margot is being courted by Lady Wyndham's brother. Elena secures an invitation to Wyndham Hall for herself and a companion, her colleague James Allenby. To covertly investigate Repton's murder, the pair must uncover the true loyalties of the people in the house while protecting Margot from her beau's potentially dangerous relatives. But Elena is torn for her widowed sister has finally found happiness after years of sorrow and having to take down the Wyndhams would destroy Margot's new relationship. As Elena and Allenby dig deeper into the Wyndham family's nefarious connections, Margot grows suspicious. Can Elena reconcile her political and professional obligations with her loyalty and love for her sister? Will Elena and Allenby uncover their colleague's killer? In *The Traitor Among Us*, Anne Perry raises the stakes for Elena, MI6, and the future of Britain.

Talking Book Topics, 2013 **Dorchester Terrace** Anne

Perry, 2012-04-03 A magic kingdom of Victorian murder and intrigue. The New York Times Book Review: Thomas Pitt is now the powerful head of Britain's Special Branch, and some people fear that he may have been promoted beyond his abilities. His own self-doubt is fueled by rumors of a plot to blow up connections on the Dover-London rail line on which Austrian duke Alois Habsburg is soon to travel. But why destroy an entire train to kill one obscure Austrian royal? Are the rumors designed to distract police from an even more devastating plot? Meanwhile, in a London sickroom, an old Italian woman is terrified that as she sinks into dementia, she may divulge secrets from her career as a revolutionary spy. And behind the doors of a stately manor, a beautiful young Croatian woman hoards mysteries of her own. Pitt and his clever wife Charlotte need these two fascinating women to tell them things they desperately need to know before death and terror ignite an international catastrophe. Includes a preview of Anne Perry's next Charlotte and Thomas Pitt novel, *Midnight at Marble Arch*. The always clever Anne Perry infuses *Dorchester Terrace* with the right amount of intrigue and complex relationships that have made this prolific series one of the finest in modern mystery fiction. Bookreporter: A classic, a novel of intrigue, romance, and treason replete with well-drawn characters. Huntington News: *The Face of a Stranger*. Anne Perry, 2011-05-11 In this exhilarating series debut, police detective William Monk must solve the mystery of his own past. His name, they tell him, is William Monk, and he is a London police detective. But the accident that felled him has left him with only half a life: his memory and his entire past have vanished. As he tries to hide the truth, Monk returns to work and is assigned to investigate the brutal murder of a Crimean War hero and man about town. Which makes Monk's efforts doubly difficult since he's forgotten his professional skills along with everything else. Richly textured with the sights and sounds of London and its countryside. Solidly absorbing and Perry's best to date. Kirkus Reviews: **Defend and Betray**. Anne Perry, 2010-09-22 After a brilliant military career, esteemed General Thaddeus Carlyon finally meets his death, not in the frenzy of battle but at an elegant London dinner party. His demise appears to be the result of a freak accident, but the general's beautiful wife Alexandra readily confesses that she

killed him a story she clings to even under the threat of the noose Investigator William Monk nurse Hester Latterly and brilliant Oliver Rathbone counsel for the defense work feverishly to break down the wall of silence raised by the accused and her husband's proud family With the trial only days away these three sleuths inch toward the dark and appalling heart of the mystery

A Christmas Homecoming Anne Perry, 2011-10-25 Among the brilliant array of Anne Perry's New York Times bestselling novels her Christmas stories occupy perhaps the warmest spot in the hearts of readers Each one is a masterpiece of suspense each is alight with the true holiday spirit In *A Christmas Homecoming* a familiar face from the Charlotte and Thomas Pitt novels Charlotte's mother Caroline travels with her young husband Joshua Fielding and his theatrical troupe to Whitby the Yorkshire fishing village where Dracula the vampire first touched English soil in the sensational novel named after him Joshua has arranged to produce a stage adaptation of Dracula by the daughter of Whitby millionaire Charles Netheridge during the Christmas holiday but after the disastrous first read through of her amateurish script only the fact that the company is depending on Netheridge's financial backing for their spring tour keeps them at work As tempers flare and wind and snow swirl around Netheridge's lonely hilltop mansion a black cloaked stranger emerges from the storm an eerily opportune arrival for this enigmatic figure one Anton Ballin turns out to be a theatrical genius At the same time a brooding evil makes itself felt Instead of the theatrical triumph that Netheridge desired for his daughter there is murder shocking and terrifying Anne Perry's ninth Christmas novel keeps us poised on a razor's edge of suspense hypnotized by a story in which the heartwarming power of goodness is challenged by the seductive power of inner darkness In the end *A Christmas Homecoming* lifts the spirit and rejoices the heart
