Common Spaces Between Us Melynn Rust, 2020-01-09 Polarization occurring in the United States today is not only a social concern it s also a spiritual condition of the heart How can we connect with others in the midst of our differences when deep in our hearts we might harbor shadows such as judgment or fear In *Common Spaces Between Us* Melynn Rust explores this question by inviting readers into the diverse college campus community where she served as chaplain and where much to her surprise and chagrin she found herself struggling at times to connect with students amid differences She was skeptical of Muslim students requesting bidets in the chapel bathrooms She balked at visiting a student in the hospital psychiatric unit She was afraid to publicly stand up for LGBTQ students She butted heads with students who shared her religion but not her beliefs She had presumed she inherently would live out her values to honor the dignity and equality of all yet in her interactions with others she kept bumping into her own shadows stifling connection Ultimately she discovered that true connection happens when we embody practices that recognize honor and nurture the good in both ourselves and others in the common spaces between us *Open the Door* Joyce Rupp, 2008-09-01 The long awaited book from best selling spiritual guide Joyce Rupp creatively leads readers to explore how the image of the door can guide them in a process of discovering their true self Joyce Rupp brings new life to the ageless spiritual image of the door weaving insights from East and West with the wisdom of contemporary spiritual writers poets and novelists in a practical format that is just right for contemporary readers Structured as a daily prayer guide for everyday use over six weeks each day offers a thematic reflection a guided meditation an original prayer a thoughtful question and a related scripture quote A built in guide for small groups makes this the perfect resource for groups of all kinds as well as individuals **Songs in Waiting** Paul-Gordon Chandler, 2009-06 This is a short book of spiritual meditations for the Advent season on the four Middle Eastern songs sung around the birth of Jesus canticles that play an important role in the liturgical worship of the church over the centuries The devotions emphasize the Middle Eastern cultural elements of these songs *A Table in the Wilderness* Thom

Rock,2015-02-13 The joyful premise at the heart of this book is that there is a table lavishly spread for all who hunger for forgiveness the believer the doubter and the famished The book s journey begins and ends with this assertion not only is there a table of forgiveness set for us in the many wildernesses of life there is a seat waiting for each and every one of us at that table What matters is whether we take that seat and if so how we behave at the feast Rooted in the notion of journeying of setting out each day to discover some new vista along the many paths to the banquet hall of forgiveness A Table in the Wilderness draws upon the wisdom of multiple religious traditions as well as non religious sources in order to gain perspective on this long misunderstood subject Readers are just as likely to encounter Dr Seuss as they are to read the words of Sri Ramakrishna or Saint Augustine along the way Anyone who has ever been hurt or has hurt another will find this book a helpful guide
