"That night, the soup tasted of corpses". Why do you think Weiss includes this line?

Students might discuss. Students might discuss how much the death of the young boy, the pipe] impacted him and the other inmates. Normally, Elie is so starved that all he can think of is food. He even yelled about a previous hanging where he recalls the soup tasting better than ever. But the death of this child was horrifying as it took him a long time to die from the hanging. Elie is also still a child so it had an impact on him that another child is killed in this gruesome way.
