

NIGHT STUDY GUIDE

"Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. Elie reflects on the enduring importance of faith and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man."

"Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be." —Amazon.com

"However painful this autobiographical work is to read, Night is a testament to memories, wounds and losses. Each chapter raises questions that have haunted the world since Hitler's rise: How could the world allow such a staggering number of innocents to be persecuted and executed? Why does one man survive when his body, mind and spirit are brutalized for months, even years, when his neighbor does not? Night is essential reading for anyone seeking a deeper understanding of the Holocaust and the legacy left behind" —Oprah.com

Boyd, 2017-09-29 This timely book focuses on different social justice pedagogies and how they can work within standards and district mandates in a variety of English language arts classrooms. Boyd offers a comprehensive model for taking social action with youth that also considers the obstacles teachers are likely to encounter. Presenting the case for more equity-oriented teaching, this rich resource examines the benefits of engaging students with critical pedagogies and provides concrete methods for doing so. Written for both pre- and inservice teachers, the text includes adaptable teaching models and tested ideas for preparing to teach for social justice. **Book Features:** Conceptualizes social justice as a set of literacies that can be learned and cultivated. Depicts social action projects being used to meet Common Core State Standards. Illustrates how social justice happens in small moments, both those that are planned and those that arise spontaneously. An additional 35 million read below the level needed to function successfully in our society. The United States ranks forty-ninth among 158 member nations of the UN in literacy and wastes over 100 billion annually as a result. The problem is not merely

an embarrassment it is a social and economic disaster In *Illiterate America* Jonathan Kozol author of National Book Award winning *Death at an Early Age* addresses this national disgrace Combining hard statistics and heartrending stories he describes the economic and the human costs of illiteracy Kozol analyses and condemns previous government action and inaction and in a passionate call for reform he proposes a specific program to conquer illiteracy One out of every three American adults cannot read this book which is why everyone else must

Möbian Nights Sandor Goodhart, 2017-08-24 I died at Auschwitz French writer Charlotte Delbo asserts and nobody knows it *Möbian Nights* Reading Literature and Darkness develops a new understanding of literary reading that in the wake of disasters like the Holocaust death remains a premise of our experience rather than a future Challenging customary aesthetic assumptions that we write in order not to die Sandor Goodhart suggests with Kafka we write to die Drawing upon analyses developed by Girard Foucault Blanchot and Levinas along with examples from Homer to Beckett *Möbian Nights* proposes that all literature works autobiographically which is to say in the wake of disaster with the credo I died therefore I am and for which the language of topology for example the Möbius strip offers a vocabulary for naming the deep structure of such literary critical and scriptural sacrificial and anti sacrificial dynamics
