Socialized! Mark Fidelman, 2016-10-21 Most companies today realize the imperative to connect with their customers employees and partners through social technologies Facebook Twitter Google YouTube and elsewhere But a huge challenge is still in the way how to build programs and teams for accomplishing all that While organizations have been fixated on how to use the latest social tool they've lost sight of how to create a talent pool capable of adjusting to the next wave of technology around the corner For corporations to successfully transform into social

business enterprises they must shift the focus from computers and tools to developing skills and attitudes around technology. Socialized represents a playbook on how to create such a high performing social enterprise. Filled with clear strategies and real life stories from visionaries and change makers the book is designed to help leaders motivate employees throughout the organization to adopt a social mindset ensuring success against the competition. Technical Report Human Resources Research Organization, 1960

Sport, Advertising and Global Promotional Culture Steven J. Jackson, David L. Andrews, 2025-02-07 This book explores the intersection of contemporary sport advertising promotional culture and wider society. Arguing that advertising and promotional culture remain key driving forces in relation to social structures and systems that contribute to enduring patterns of economic and other forms of inequality this book examines how sport and related areas of social life continue to be transformed by these forces. Presenting in depth international case studies covering topics such as Nike's sign economies the sports gambling media complex sportswashing greenwashing radical politics in sport advertising sport and corporate nationalism and girls empowerment and transgender exclusion in sports this book sheds critical new light on some of the most important themes in the study of global consumer culture in the emerging era of surveillance capitalism. Overall this book examines sport advertising through the lens of the circuit of cultural commodification including production representation consumption and regulation in order to provide insights into the formation complexities and contradictions of social identities commodities and brands. This is fascinating reading for anybody with an interest in the sociology culture and politics of sport or cultural studies media studies and the wider politics and social significance of late stage capitalism.
