Nimble Collaboration Fine Tuning Your Collaboration For Lasting Success

Paul W. Mattessich

Nimble Collaboration Fine Tuning Your Collaboration For Lasting Success:

The Nimble Collaboration Karen Louise Ray, 2002-09-15 Let's face it the collaboration process can be a pain in the neck. The Nimble Collaboration Fine Tuning Your Collaboration for Lasting Success shows collaborations how to become leaner, more responsive, more flexible, and ultimately more productive. In their bestselling book *Collaboration Handbook: Creating, Sustaining, and Enjoying the Journey*, Michael Winer and Karen Ray describe how to form a successful collaboration. In *The Nimble Collaboration*, Ray guides existing partnerships into the next stage, becoming more effective. Part I presents the three Rs of nimble collaboration: results that are clearly defined, relationships that are deft, and a structure that is resilient. Readers will learn how to determine, describe, and evaluate the specific results everyone wants to achieve and keep them at the heart of each step they take. The book shows readers how to build trust, reinforce roles, and avoid turf issues and hidden agendas. Part II walks through real-life applications in two typical collaborations: service integration collaborations and complex problem-solving collaborations. Detailed case studies demonstrate nimbleness in action and give collaborations concrete problem-solving ideas. Throughout the book are samples, examples, and how-tos based on the author's many years of experience consulting with real people in real collaborations across the United States. A special section explains how to write the various documents that bind partners together on paper, including a memo of agreement and a formal governance agreement. Collaborations that involve government agencies, nongovernmental organizations, community building groups, nonprofits, law enforcement, education, health, housing, arts, social services, business, foundation, you name it, will find hands-on help for making their collaboration satisfying and productive. *Five Life Stages* Judith Sharken Simon, 2001-05-15 The life stage model is a powerful tool for understanding objectively your organization's current status and preparing it to move ahead to the future. This useful guide helps you understand where your organization is in its life and how to avoid unnecessary struggles and act on opportunities to boost your organization's development. *Collaboration Handbook* Michael Barry Winer, 2012-09-13 This is your complete guide to putting together a collaboration that gets results. You'll see how to get a collaboration going, define the results you're after, determine everyone's roles, create an action plan, and evaluate the results. Includes a case study, worksheets, and special sidebars with helpful tips such as what to do at your first meeting. Collaboration Paul W. Mattessich, 2001-05-15 What makes the difference between your collaboration's failure or success? *Collaboration: What Makes It Work*, Second Edition, answers this question with an up-to-date and in-depth review of collaboration research. This new edition also includes The Wilder Collaboration Factors Inventory. **The Wilder Nonprofit Field Guide to Crafting Effective Mission and Vision Statements** Emil Angelica, 2001 Bring focus and direction to your work. Too often if you ask four people in a nonprofit what their organization's mission is, you'll get four different answers. Organizations without clearly defined and agreed-to mission and vision statements frequently find themselves adrift at sea in real financial trouble and unable to make an ongoing positive impact on the community. But an effective mission and vision

statement can help an organization unify services and create a consistent approach to new program development Crafting Effective Mission and Vision Statements will help your organization develop or revise mission and vision statements that bring focus and direction to your work With orderly easy to follow steps this engaging guide helps you Build ownership for the mission and vision statements among board and staff Create a common understanding of your organization s goals Understand how mission and vision statements differ and how to use both for greatest benefit Develop a mission statement that captures exactly what your organization does Create a vision statement based on stakeholders ideas and the organization s history capacity for growth and fundraising potential Use this guide to create mission and vision statements that help your organization stay focused and keep it moving toward a positive future The Community Economic Development Handbook Mihailo Temali,2002-09-20 The step by step guide to turning any neighborhood around A weak local economy can be strengthened A run down neighborhood of boarded up storefronts litter strewn sidewalks high unemployment and poorly maintained housing can be transformed An entire community can be lifted up Mihailo Mike Temali knows this first hand He has spent nearly twenty years working in community based economic development helping cities as diverse as St Paul Minnesota and Santiago Chile In this concrete practical jargon free handbook he describes a proven way to make any community a better place to live Comprehensive realistic and easy to use If you don t already have a community economic development CED organization in place Temali tells you how to set one up Then he defines four pivot points that are crucial to neighborhood economies 1 Revitalizing your commercial district 2 Developing microbusinesses 3 Developing your community workforce and 4 Growing good neighborhood jobs He explains how to choose your first pivot point then guides you through the process of tackling each one True stories of successful CED provide inspiration Sidebars explore related issues dealing with gentrification finding potential partners supporting microentrepreneurs and more Other CED professionals share their insights in From the Field notes Appendices point you toward useful resources show you how to use the Internet to research your regional economy and include dozens of worksheets that will help you move from reading about CED to doing it The Community Economic Development Handbook is precisely what you need to turn your neighborhood around **The Manager's Guide to Program Evaluation** Paul W Mattessich.,2003-08-08 Your Guide to Getting a Useful Evaluation Evaluation is vital and beneficial to any nonprofit organization An effective evaluation can help identify an organization s successes share information with key audiences and improve services It can confirm that an organization is truly making a difference This book is for organization managers and decision makers policymakers funders researchers and students studying applied social service research Benefits you ll get describes what types of information to collect and what questions this information can answer details the four phases of evaluation and the steps involved in each phase and information on various types of research consultants and advice selecting one **The Wilder Nonprofit Field Guide to Developing Effective Teams** Beth Gilbertsen,Vijit Ramchandani,1999-07-01 Proven methods for smoother and more

productive teamwork Teamwork is rarely simple easy or natural It s not enough to announce we re a team and expect results The Fieldstone Nonprofit Guide to Developing Effective Teams is a collection of the best tried and true team building methods All types of nonprofits community groups volunteers and board members can benefit from the tips and processes in this guide Plus no matter what role you play on the team you can use this guide and help bolster your team s success Tools for team start up To help your team get going this guide gives you seven tools and techniques for Writing a team mission statement Setting team goals Conducting effective team meetings p Creating ground rules Decision making in teams Creating team project plans Developing team spirit Tools for team maintenance Even the best teams struggle with challenges This guide will help you deal with predictable problems and improve teamwork at any stage of your team s development You ll find specific guidance for Improving team meetings Evaluating overall team effectiveness Resolving conflict within a team Managing conflict between two teams Clarifying roles and responsibilities Dealing with performance problems Communicating between meetings With a few tools and a little guidance most groups of people who want to become a team can do it Developing Effective Teams is just the help you need *The Accidental Techie* Sue Bennett,2005 This book shows you how to create a support system that will help your organization use technology more effectively and make your day to day life less hectic This hands on guide walks you through five projects that when completed will give you a comprehensive and usable support system Conducting a technology inventory Assessing and supporting staff Assessing and buying technology Protecting your organization from diasters and data loss Managing your role Book cover Managing to Collaborate Chris Huxham,Siv Vangen,2013-08-16 Collaboration between organizations on different continents can raise issues of economic development health the environment risk sharing supply chain efficiency and human resource management It is an activity that can touch upon almost every aspect of business and social life In this notable text the authors combine rigorous theory with practical examples to create a useful practical one stop resource covering topics such as the principles of the theory of collaborative advantage managing aims membership structures and dynamics issues of identity using the theory The key features of the book include rich theory drawn directly from practice explained in simple language and a coherently developed understanding of the challenges of collaboration based on careful research This significant text will be an invaluable reference for all students academics and managers studying or working in collaboration
