Wallace, Robert P. Waznak, Guerric DeBona, 2004 This collection of homilies represents the efforts of three preachers to interpret the lives of a community of faith and lead them deeper into the liturgy and life It grows out of a vision of the homily as a scriptural interpretation of human existence which enables a community to recognize God's active presence to respond to that presence in faith through liturgical word and gesture and beyond the liturgical assembly through a life lived in conformity with the Gospel The first intent of *Lift Up Your Hearts* is to focus on homilies as acts of interpretation in which the preacher does not so much attempt to explain the Scriptures as to interpret the human situation through the Scriptures This book casts the homilist not so much as a teacher but as a mediator of meaning speaking words that help the community to know itself and to act as the People of God the Body of Christ and the dwelling place of the Holy Spirit In addition these homilies are intended to move the parishioners toward the act of Eucharist to giving praise and thanks here and now and then beyond the Church doors out into the world to take part in the mission of the Church Pastors priests deacons and anyone who preaches will find this collection of source material to be particularly useful in crafting homilies that are grounded in Holy Scripture and yet relevant and meaningful in today's world Also it is written for the churchgoer in search of a helpful reflection on the Sunday readings with the intent of connecting the biblical texts with life Teach Us to Number
