The Lost Knowledge of Christ Dominic

White, 2015 Did Christianity once teach secret knowledge? Dominic White argues that the early Church in fact taught a wonderful wisdom about the cosmos. Christian cosmology offers resources for us to speak to many of the problems, questions and issues we face both in the church and in society. It does not provide instant answers; rather, it is in some ways more like the parables of Jesus, stories that challenge our view of the world and invite us to reflection and contemplation. This lost knowledge sheds new light on many biblical teachings and areas of controversy within Christianity: the meaning of repentance, the mystery of the cross, Jesus' ascent through the heavens, angels and stars, the body and the feminine, justice and ecology, and liturgy, art, music and dance. *The Lost Knowledge of Christ* shares the cosmic, psychological and artistic focus of today's nonreligious spiritualities and offers some surprising responses. Images, music and videos that correspond with the chapters can be found at lostknowledgeofchrist.wordpress.com. *Stations of the Cross* Timothy Radcliffe, 2016-11-22
