Nicey And Wifey's Nice Cup Of Tea And A Sit Down:

Nicey and Wifey's Nice Cup of Tea and a Sit Down Stuart Payne, 2005 This book offers a very funny affectionate look at the great British biscuits of our time and how they complement the Nice Cup of Tea and a Sit Down that we all enjoy from time to time Nice Cup of Tea and a Sit Down Stuart Payne, Nicey, Wifey, 2005-09-01 Put a cup of tea in your hand and what else can you do but sit down This wonderful new book is a celebration of that most British of life's cornerstones taking a break putting your feet up and having a breather There is however a third element that any perfect sit down requires and it is this biscuits As Nicey so rightly points out a cup of tea without a biscuit is a missed opportunity Finding the right biscuit for the right occasion is as much an art as it is a science and it is a task that Nicey has selflessly worked on for most of his tea drinking life From dunking to the Digestive the Iced Gem to the Garibaldi everything you'll ever need to know about biscuits is in this book and quite a lot more besides Is the Jaffa Cake a cake or a biscuit And have Wagon Wheels really got smaller since your childhood or have you just got bigger Unstintingly researched Nicey and Wifey's Nice Cup of Tea and a Sit Down does exactly what it says on the biscuit tin So go on Take a weight off put the kettle on and enjoy The Biscuit Lizzie Collingham, 2020-10-29 Bourbons Custard Creams Rich Tea Jammie Dodgers Chocolate Digestives Shortbread Ginger snaps Which is your favourite British people eat more biscuits than any other nation they are as embedded in our culture as fish and chips or the Sunday roast We follow the humble biscuit's transformation from durable staple for sailors explorers and colonists to sweet luxury for the middling classes to comfort food for an entire nation Like an assorted tin of biscuits this charming and beautifully illustrated book has something to offer for everyone combining recipes for hardtack and macaroons Shrewsbury biscuits and Garibaldis with entertaining and eye opening vignettes of social history Teatimes Helen Saberi, 2018-06-15 In Teatimes food historian Helen Saberi takes us on a stimulating journey beyond the fine porcelain doilies crumpets and jam into the fascinating and diverse history of tea drinking From elegant afternoon teas hearty high teas and cricket and tennis teas to funeral teas cream teas and many more Saberi investigates the whole panoply of teatime rituals and ephemera including tea gardens tea dances tea gowns and tearooms We are invited to spend time in the sophisticated salons de th of Paris and the cozy tearooms of the United States to enjoy the teatime traditions of Canada the United Kingdom Australia New Zealand and South Africa where housewives prided themselves on their well filled tins to sit in on the tea parties of the Raj and Irani cafes in India to savor teatimes along the Silk Road where the samovar and chaikhana reign supreme and to delight in the tasty dim sum of China and the intricate tradition of cha kaiseki in Japan Steeped in evocative illustrations and recipes from around the world Teatimes shows how tea drinking has become a global obsession from American iced tea and Taiwanese bubble tea to the now classic English afternoon tea Pinkies up The Biscuit Girls Hunter Davies, 2014-08-28 Ivy Dulcie Barbara Ann Dorothy and Jean all had different reasons for applying to work at Carr's biscuits but once they had put on their overalls and walked through the factory gates they discovered a community full of life

laughter and friendship To those who didn't know the biscuit factory that towered over Carlisle might look like just another slice of the industrial North a noisy and chaotic place with workers trooping in and out at all hours For the biscuit girls it was a place where they worked hard but also where they gossiped got into scrapes and made lifelong friends Outside the factory walls there might be difficult husbands or demanding kids and sometimes even heartbreak and tragedy but they knew there would always be an escape from their troubles at Carr's Some like Barbara only applied because she needed the extra cash until things got a bit easier at home Her supervisor cross examined her about who would be looking after the kids while she was at work but let her have the job Like many of the women who joined up temporary Barbara went on to stay at Carr's for 32 years Beginning in the 1940s these heartwarming and vividly remembered stories have all been told by the women themselves to Hunter Davies *Deception* Denise Mina, 2007-09-03 Things like this don't happen to people like us That's what Lachlan Harriot thinks as he watches his wife Susie led to jail in handcuffs Yes Susie a psychologist was found covered in blood near the spot where one of her clients appears to have been murdered But Susie is not a killer Lachlan thinks She's my wife She's our child's mother Secrets lurk behind closed doors however a dark truth made chillingly clear as Lachlan's efforts to prove Susie's innocence uncover an entire secret history illicit affairs false identities unimaginable deception and this brilliantly acclaimed page turning novel speeds toward a conclusion as shocking as it is ingenious **Biscuits and Cookies** Anastasia Edwards, 2019-07-15 What's your favorite cookie or biscuit for any British baking show buffs Chocolate chip ginger spice or Oreo Oatmeal and raisin black and white digestive or florentine Or do you just prefer the dough Our choice biscuits and cookies are as diverse as the myriad forms and flavors these chewy treats take and well they should be These baked delights have a history as rich as their taste evidence of biscuit making dates back to around 4000 BC In *Biscuits and Cookies* Anastasia Edwards explores the delectable past of these versatile snacks from their earliest beginnings through Middle Eastern baking techniques to cookies of Northern Europe in the Middle Ages and on into the New World From German lebkuchen to the animal cracker more than half a billion of which are produced each year in the United States alone from brownies and sugar cookies in the United States to shortbread and buttery tea biscuits in the United Kingdom to Anzac and Girl Guide biscuits in New Zealand and Australia this book is crammed with biscuit and cookie facts stories images and recipes from around the world and across time And there's no need to steal from the cookie jar **Dessert** Jeri Quinzio, 2018-08-15 Let's face it roast beef and potatoes are all well and good but for many of us when it comes to gustatory delight we're all about dessert Whether it's a homemade strawberry shortcake in summer or a chef's complex medley of sweets dessert is the perfect finale to a meal Most of us have a favorite even those who seldom indulge After all sweet is one of the basic flavors and one we seem hardwired to love Yet as Jeri Quinzio reveals while everyone has a taste for sweetness not every culture enjoys a dessert course at the end of the meal And desserts as we know them the light sponge cakes of The Great British Baking Show the ice creams the steamed plum puddings are neither as old nor as ubiquitous as many of us

believe Tracing the history of desserts and the way they and the course itself have evolved over time Quinzio begins before dessert was a separate course when sweets and savories were mixed on the table and concludes in the present when homey desserts are enjoying a revival and as molecular gastronomists are creating desserts an alchemist would envy An indulgent mouth watering illustrated read featuring recipes texts from chefs writers and diarists and extracts not the vanilla or almond variety from cookbooks menus newspapers and magazines Dessert is a delectable happy ending for anyone with a curious mind and an incorrigible sweet tooth

Food Britannia Andrew Webb, 2012-08-31 British food has not traditionally been regarded as one of the world's great cuisines and yet Stilton cheese Scottish raspberries Goosnargh duck and Welsh lamb are internationally renowned and celebrated And then there are all those dishes and recipes that inspire passionate loyalty among the initiated Whitby lemon buns and banoffi pie for example pan haggerty and Henderson's relish All are as integral a part of the country's landscape as green fields rolling hills and rocky coastline In Food Britannia Andrew Webb travels the country to bring together a treasury of regional dishes traditional recipes outstanding ingredients and heroic local producers He investigates the history of saffron farming in the UK tastes the first whisky to be produced in Wales for one hundred years and tracks down the New Forest's foremost expert on wild mushrooms And along the way he uncovers some historical surprises about our national cuisine Did you know for example that the method for making clotted cream that stalwart of the cream tea was probably introduced from the Middle East Or that our very own fish and chips may have started life as a Jewish Portuguese dish Or that Alfred Bird invented his famous custard powder because his wife couldn't eat eggs The result is a rich and kaleidoscopic survey of a remarkably vibrant food scene steeped in history but full of fresh ideas for the future proof if proof were needed that British food has come of age

Nice Cup of Tea and a Sit Down Stuart Payne, Nicey, Wifey, 2004 This title provides a funny and affectionate look at the great British biscuits of our time and how they complement the Nice Cup of Tea and a Sit Down that we all enjoy from time to time
