Joseph McBrinn

Nick Cave Meet Me At The Center Of The Earth:

Nick Cave Nick Cave, Dan Cameron, Pamela McClusky, 2009 Nick Cave creates multi layered mixed media wearable sculptures named for the sounds made when worn Reminiscent of African and religious ceremonial costumes as well as high fashion they are made using scavenged ordinary materials such as fabrics beads buttons sequins old bottle caps rusted iron sticks twigs leaves and hair that Cave re contextualizes into visionary masterpieces He explores issues of transformation ritual myth and identity Sonic Sculpture and the Performative Impulse Melissa Christine Warak, 2025-03-28 This study considers the performativity of sound producing sculptures made in the twenty first century through a cultural history of certain works A subfield of the sound art medium sonic sculpture presents new possibilities in sensory engagement with the viewer creating a mediated experience for eye and ear Contextualized within three linking nodes of sonic engagement sonic sculpture as a socially engaged art listening to history and the use of the human body as the material of sonic sculpture itself each chapter interrogates one or two works by a contemporary artist These in depth analyses of the works serve as lenses to the artists larger practices and engagements with things that sound Artists covered include Nick Cave Kara Walker Janet Cardiff George Bures Miller and Ragnar Kjartansson The book will be of interest to scholars working in art history sound studies musicology and cultural studies **Nick Cave**, 2011 veEducator resource guide for the exhibition This guide looks at five of Nick Cave's soundsuits and their influences from African and indigenous American art to contemporary high fashion Cage's soundsuits serve as a medium to explore identity performance ritual and shelter Contains background information looking questions and activity suggestions **Everything Is A Character And Every Character Has A Cape** Anna Rae Landsman, *Performance on Behalf of the Environment* Richard D. Besel, Jnan A. Blau, 2013-11-26 Human degradation of the environment has been documented by scholars across a range of disciplines the global temperature of the planet continues to rise abandoned industrial sites stain once vibrant communities and questions about the purity of our water and foods linger In the shadow of these material conditions concerned citizens have reacted by issuing critiques against careless consumerism and excessive lifestyles Their hope is to illustrate and inspire alternative ways of living As part of such efforts and activism some have turned to performance as a means to investigate matters further pose challenges and questions and enact new ways of being and thinking in a globalized world Performance on Behalf of the Environment is a collection of essays from a diverse group of scholars that explore critically the strengths limitations and processes of what can be termed environmental performances **Bob Kuhn** James McNutt, 2012-09-05 For those of us who portray wildlife our decision to persist in our quest for excellence is almost always based on a love affair a fascination with the creatures of our planet and a need to share this feeling the best way we know how So said wildlife artist Robert Kuhn 1920 2007 who spent a lifetime sketching and painting animals and generously mentoring other artists Bob Kuhn Drawing on Instinct presents a generous sampling of his rarely seen sketches alongside the vibrant paintings for which he is best known Appearing in conjunction

with a traveling exhibit mounted by the National Museum of Wildlife Art in Jackson Wyoming this book allows readers to observe the artistic process of one of the greatest wildlife artists of our time Curator Adam Duncan Harris provides an introduction and a biography of Kuhn along with an examination of his working method In addition Bob Kuhn features four substantive essays by leading authorities on American art James H Nottage of the Eiteljorg Museum of American Indians and Western Art Amy Scott of the Autry National Center Lisa M Strong of the Corcoran Gallery of Art and Todd Wilkinson of Wildlife Art Journal and other publications These contributions written from a variety of art historical perspectives set Kuhn s oeuvre within the cultural context in which he worked and deepen our understanding of his achievements Complementing the essays are brief appreciations by six of Kuhn s contemporaries and three samples of the artist s own writing Bob Kuhn Drawing on Instinct offers a compelling blend of the artist s finished paintings and finest sketches works of art in their own right This lavishly illustrated book is a fitting tribute that will further establish Bob Kuhn s place in the pantheon of late twentieth century American artists

Queering the Subversive Stitch Joseph McBrinn,2021-04-08 The history of men s needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men s needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men s needlework as well as visual representations of the male needleworker in museum collections from artist s papers and archives in forgotten magazines and specialist publications popular novels and children s literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history

Fans of the Impossible Life Kate Scelsa,2015-09-10 Fans of the Impossible Life by Kate Scelsa is the story of love loss growing up and the magic and terror of finding friends who truly see the person you are and the person you re trying to become It s a story about rituals and love and of those transformative friendships that burn hot and change you but might not last SEBBY seems to carry sunlight around with him Even as life in his foster home starts to take its toll Sebby and his best friend Mira together craft a world of magic rituals and impromptu road trips designed to fix the broken parts of their lives MIRA is starting over at St Francis Prep She promised her parents she would at least try to pretend that she could act like a functioning human this

time not a girl who can't get out of bed for days on end who only feels awake when she's with Sebby JEREMY is the painfully shy art nerd at St Francis who's been in self-imposed isolation after an incident that ruined his last year of school When he sees Sebby for the first time across the school lawn it's as if he's been expecting him As Jeremy finds himself drawn into Sebby and Mira's world he begins to understand the secrets that they hide in order to protect themselves to keep each other safe from those who don't understand their quest to live for the impossible
