Nicolae The Rise Of Antichrist Left Behind:

Nicolae Tim LaHaye, Jerry B. Jenkins, 2011-03-16 It has been nearly two years since the day of the mass disappearances In one cataclysmic instant millions all over the globe simply vanished leaving everything but flesh and bone behind Global war has erupted and the Tribulation Force sets a suicidal course that places them in direct opposition to the rise of Antichrist A repackage of the third book in the New York Times best selling Left Behind series *The New Brothers Grimm and Their Left Behind Fairy Tales* David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil *Left Behind Answered Verse by Verse* David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy **Futurism's Incredible Journey** Stephen Bohr, 2009 *The Paranoid Apocalypse* Richard Landes, Steven T. Katz, 2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational *An Unusual Relationship* Yaakov Ariel, 2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of Evangelicals and Israel The Story of American Christian Zionism It is generally accepted that Jews and evangelical Christians have little in common Yet special

alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish relationships An Unusual Relationship explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book Evangelizing the Chosen People was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History

The Rapture Exposed Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community

The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them The Apocalypse Is Everywhere A Popular History of America s Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes
