Nigerian Current Affairs:

Focus on Nigeria Daniel E. Nwaenang, 1968 Women's Social and Legal Issues in African Current Affairs Victoria M. Time, 2016-12-06 This volume explores the difficulties that beset African women and inhibit them from excelling in many walks of life in the twenty first century Asymmetrical relations in society position women in subjugated and marginalized roles This is caused by customary practices that have left women in vulnerable and subsidiary positions as well as statutory provisions that fester this process Despite its richness in raw materials and minerals Africa remains slow to grow when compared to other continents The economies of most African countries is severely anemic corruption is rife poor governance is systemic and wars conflicts famine and diseases abound Stalled economies disproportionately affects women for example as nurturers women have the extra responsibility of taking care of children and members of the extended family In times of want women are more likely to give up the little they have so that their children and others may survive This book shows the various social and legal obstacles that stall women s upward mobility and offers recommendations on how these issues can be resolved *Colonial Subjects* Philip Serge Zachernuk, 2000 West African intellectuals have a long history of engaging with European intrusion by reflecting on their status as colonial and postcolonial subjects Against the tendency to view this engagement as a confrontation between the modern west and traditional Africa Philip S Zachernuk argues that the interaction is far more fluid and diverse Challenging the frequent denigration of western educated Africans as a culturally barren kleptocratic elite *Colonial Subjects* shows that they occupied a shifting medial position between colonizers and colonized In the process they created a distinctive intellectual culture grounded in indigenous and European sources Looking carefully at southern Nigeria from 1840 to 1960 Zachernuk locates intellectuals in the contours of their society as it changed from late precolonial times to the beginning of independence He examines their engagement with British and Black Atlantic assumptions and assertions about Africa s place in the world These ideas shaped by the needs of others became the often awkward material with which these intellectuals endeavored to construct their own image of their home continent In this context a group of Nigerian intellectuals created a dynamic intellectual tradition motivated by self interest and marked by innovation counter invention and imitation within the confines of the Atlantic world At different times they opposed and supported the colonial state adopted and rejected notions of racial destiny and advocated free market principles cooperative self help and state socialism *Colonial Subjects* provides a historical framework for connecting these divergent ideas thereby recovering the complexity of an intellectual tradition both colonial and modern **Urban Politics in Nigeria** Howard Wolpe, 2022-08-19 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974 *Labour and Politics in Nigeria* Robin Cohen, 2024-03-08 Originally

published in 1974 and with a new introduction for the 1981 edition this book is a clear and vivid history of the role of organized labour in the politics of Nigeria It covers the period from the first General Strike of 1945 to the civil war and reintegration of the country As well as providing an analysis of the characteristics and attitudes of Nigeria s wage earners this study is concerned with their place in the wider political and social life of the country The attempts of the trade unions to create a representative central labour organisation are considered as is the internal structure of the unions themselves The book also examines the relationship of the Unions with the political parties of the first Republic and later with the Military Government The influence of the trade unions in the determination of wage rates is analysed The book concludes with an overview of trade unions in other parts of Africa with which the performance and characteristics of organized labour in Nigeria are compared *Daily Report, Foreign Radio Broadcasts* United States. Indigenous Conflict Management Strategies in West Africa Joseph Kingsley Adjei,Jesse J. Benjamin,Brandon D. Lundy,2014-11-19 Indigenous Conflict Management Strategies in West Africa Beyond Right and Wrong expands the discourse on indigenous knowledge With several examples and case histories the work defines characterizes and explains indigenous conflict management strategies in West Africa particularly in Ghana Nigeria and Cameroon The book critically evaluates indigenous conflict management strategies with a view to determining their effectiveness in the context of the societies history and culture and the relevance and adaptability of these strategies in contemporary contexts This book takes a scholarly approach avoiding romanticizing or idealizing indigenous conflict management strategies in West Africa It advocates a set of mechanisms by which the best elements of indigenous knowledge and skills in conflict management may be deployed to settle contemporary disputes and made portable for adoption and adaptation by other complex societies in the region and beyond **Achebe and Friends at Umuahia** Terri Ochiagha,2015 WINNER OF THE ASUK FAGE OLIVER PRIZE 2016 The author meticulously contextualises the experiences of Achebe and his peers as students at Government College Umuahia and argues for a re assessment of this influential group of Nigerian writers in relation to the literary culture fostered by the school and its tutors This is the first in depth scholarly study of the literary awakening of the young intellectuals who became known as Nigeria s first generation writers in the post colonial period Terri Ochiagha s research focuses on Chinua Achebe Elechi Amadi Chike Momah Christopher Okigbo and Chukwuemeka Ike and also discusses the experiences of Gabriel Okara Ken Saro Wiwa and I C Aniebo in the context of their education in the 1930s 1940s and 1950s at Government College Umuahia The author provides fresh perspectives on Postcolonial and World literary processes colonial education in British Africa literary representations of colonialism and Chinua Achebe s seminal position in African literature She demonstrates how each of the writers used this very particular education to shape their own visions of the world in which they operated and examines the implications that this had for African literature as a whole Supplementary material is

available online of some of the original sources See http://boybrew.co/9781847011091_2 Terri Ochiagha holds one of the prestigious British Academy Newton International Fellowships 2014-16 hosted by the School of English University of Sussex She was previously a Senior Associate Member of St Antony's College University of Oxford
