The Titanic, a luxury passenger liner travelling from Southampton, UK to New York City, US, sank on April 15, 1912, in the North Atlantic Ocean after hitting an iceberg. The story follows the events that led up to the fatal collision with an iceberg and the resulting tragedy that came after. Using interviews from actual survivors, A Night to Remember shines a light on those who gave their lives for others, those who fought for survival and those who sat helpless on lifeboats while others remained trapped below decks while the ship sank. This Novel Study provides a teacher and student section with a variety of activities, discussion questions and answer key to create a well rounded lesson plan.
