Night Street Kristel Thornell, 2012 The passionate story of a young painter Clarice Beckett who defies society's strict conventions and indifferent art critics alike and leads an intense private and professional life

A Scandal in Bohemia Gideon Haigh, 2018-03-28 As enigmatic in life as in death Mollie Dean was a woman determined to transcend. Creatively ambitious and sexually precocious at twenty five she was a poet aspiring novelist and muse on the peripheries of Melbourne's bohemian salons until one night in 1930 she was brutally slain by an unknown killer in a laneway while walking home. Her family was implicated. Those in her circle including her acclaimed artist lover Colin Colahan were shamed. Her memory was anxiously suppressed. Yet the mystery of her death rendered more mysterious her life and Mollie's story lingered incorporated into memoir literature television theatre and song most notably in George Johnston's classic *My Brother Jack*. In *A Scandal in Bohemia* Gideon Haigh explodes the true crime genre with a murder story about life as well as death. Armed with only a single photograph and echoes of Mollie's voice he has reassembled the precarious life of a talented woman without a room of her own a true outsider excluded by the very world that celebrated her in its art. In this work of restorative justice Mollie Dean emerges as a tenacious charismatic independent woman for whom society had no place and whom everybody tried to forget but nobody could. Haigh's narrative takes shape through powerful layers of association as much a portrait of Mollie's life and death as it is a portrayal of the city and the society in which she lived.

Australian Book Review In this latest addition to his true crime oeuvre Melbourne journalist and polymath Gideon Haigh attempts to uncover Dean's life as well as her death the book is a fascinating exploration
