Mastering the Nikon Darrell Young, 2013-09-18 *Mastering the Nikon D7100* by Darrell Young provides a wealth of experience based information and insights for owners of the new D7100 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step by step setting adjustments, color illustrations, and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions while feeling as if a friend dropped in to share his knowledge. The learning experience for new D7100 users goes beyond just the camera itself and covers basic photography technique.

Modern Wedding Photography Michael Allen, 2014-06-06 Michael is an editorial photographer for Southern Bride Magazine and has traveled all over the South from Florida to New Orleans and to such destinations as Mexico. His wedding photography style is beautiful and keeps his studio booked year round with weddings. Michael's commercial photography projects have also attracted a lot of attention; he shoots for major companies, photographing such celebrity music stars as Lauren Alaina, Dierks Bentley, and many more. He has recently worked on a major shoot with Conde Nast for GQ magazine as an assistant photographer for Sebastion Kim, the world's top fashion photographer. One of his recent portrait clients includes Leigh Anne Tuohy from the film *Blind Side*. This book goes into detail about shooting high end weddings, photography styles, business management, marketing, and the gear needed. A perfect book for new photographers that want to gain insights into the editorial side of wedding photography, what it takes to be a successful photographer. Revised Edition.
