Nineteenth Century Europe Palgrave History Of Europe:

Nineteenth-century Europe Michael Rapport,2005 **An Economic History of Nineteenth-Century Europe** Ivan Berend,2013 A transnational survey of the economic development of Europe exploring why some regions advanced and some stayed behind *Women in Nineteenth-Century Europe* Rachel Fuchs,Victoria E. Thompson,2004-11-21 During the nineteenth century European women of all countries and social classes experienced dramatic and enduring changes in their familial working and political lives However the history of women at this time is not one of unmitigated progress theirs was an uphill struggle fraught with hindrances hard work and economic downturns and the increasing intrusion of the public into their innermost private and personal lives Breaking away from traditional categories Rachel G Fuchs and Victoria E Thompson provide a sense of the variety and complexity of women s lives across national and regional boundaries juxtaposing the experiences of women with the perceptions of their lives Three themes unite this study The tension between tradition and modernity The changing relationship between the community and individual The shifting boundaries between public and private Dealing with individual women s lives within a large social and cultural context Fuchs and Thompson demonstrate how strong and courageous women refused to live within the prescribed domestic roles and how many became the modern women of the twentieth century **19th Century Europe** Hannu Salmi,2013-04-24 Nineteenth Century Europe offers a much needed concise and fresh look at European culture between the Great Revolution in France and the First World War It encompasses all major themes of the period from the rising nationalism of the early nineteenth century to the pessimistic views of fin de si cle It is a lucid fluent presentation that appeals to both students of history and culture and the general audience interested in European cultural history The book attempts to see the culture of the nineteenth century in broad terms integrating everyday ways of life into the story as mental material and social practices It also highlights ways of thinking mentalities and emotions in order to construct a picture of this period of another kind that goes beyond a story of isms or intellectual and artistic movements Although the nineteenth century has often been described as a century of rising factory pipes and grey industrial cities as a cradle of modern culture the era has many faces This book pays special attention to the experiences of contemporaries from the fear for steaming engines to the longing for the pre industrial past from the idle calmness of bourgeois life to the awakening consumerism of the department stores from curious exoticism to increasing xenophobia from optimistic visions of future to the expectations of an approaching end The century that is only a few generations away from us is strange and familiar at the same time a bygone world that has in many ways influenced our present day world **A Brief Political and Geographic History of Europe (Where Are Prussia, Gaul, and the Holy Roman Empire?)** Frances E. Davey,2010-12-23 Prussia Gaul The Holy Roman Empire These places played a crucial role in the development of Western Europe But where were they and what happened to them The borders of countries and territories shifted over time as kings and queens prime ministers and farmers demanded political religious and economic

change Greedy dictators and emperors grabbed as much land as they could Peasants and revolutionaries wanted to secure a better future for themselves and their families Open this book and explore exciting places and times through pictures maps and stories Meet Julius Caesar and Marie Antoinette root for the British or the French at the Battle of Trafalgar and take a peek behind the Iron Curtain Wander through modern day Europe crossing borders and spending euros Lose yourself in a world gone by and wonder at the complex place Western Europe is today *The Routledge History of Women in Europe Since 1700* Deborah Simonton,2006-04-27 This landmark publication collects the essays of the leading women s historians and provides the most coherent overview of women s role and place in Western Europe from the beginning of the eighteenth century to the twentieth century **Nineteenth-Century European Pilgrimages** Antón M. Pazos,2020-03-09 During the Nineteenth Century a major revival in religious pilgrimage took place across Europe This phenomenon was largely started by the rediscovery of several holy burial places such as Assisi Milano Venice Rome and Santiago de Compostela and subsequently developed into the formation of new holy sites that could be visited and interacted with in a wholly Modern way This uniquely wide ranging collection sets out the historic context of the formation of contemporary European pilgrimage in order to better understand its role in religious expression today Looking at both Western Catholic and Eastern Orthodox Europe an international panel of contributors analyse the revival of some major Christian shrines cults and pilgrimages that happened after the rediscovery of ancient holy burial sites or the constitution of new shrines in locations claiming apparitions of the Virgin Mary They also shed new light on the origin and development of new sanctuaries and pilgrimages in France and the Holy Land during the Nineteenth Century which led to fresh ways of understanding the pilgrimage experience and had a profound effect on religion across Europe This collection offers a renewed overview of the development of Modern European pilgrimage that used intensively the new techniques of organisation and travel implemented in the Nineteenth Century As such it will appeal to scholars of Religious Studies Pilgrimage and Religious History as well as Anthropology Art Cultural Studies and Sociology **The Cambridge History of European Romantic Literature** Patrick Vincent,2023-11-09 Examining Romanticism s pan European circulation of people ideas and texts this history re analyses the period and Britain s place in it The Nineteenth Century T. C. W. Banning,2000 In the 19th century Europe changed more rapidly and radically than during any prior period These chapters offer an approach to understanding one of the most complex periods of modern history addressing all the major issues *World and Its Peoples* ,2010 Presents a thirteen volume reference guide to the geography history economy government culture and daily life of countries in Europe
