Milwaukee's Italian Heritage Anthony M. Zignego, 2009-10-01 The shores of Lake Michigan might seem a far cry from the coastline of the Mediterranean even for a country famous for its opera singers Nevertheless enough Italians responded to the call and returned home to repeat it confidently to brothers brides and strangers to create a thriving community in Milwaukee Historians often emphasize Milwaukee's German heritage content to relegate the story of Italian migration to New York or Chicago but Anthony Zignego passionately explores the ways in which Italians shaped the Brew City and were shaped by it in turn From the Gardetto family to the enterprising women of the Third Ward to Festa Italiana Zignego presents a portrait of the immigrant experience with personal stories and interviews with ordinary immigrants and Milwaukeeans explaining the community's traditions and dispelling some of its myths Milwaukee's Italian Heritage highlights the struggles and triumphs that have always made immigration an opening clause and concluding question in the American story

Allied Armies in Sicily and Italy 1943-1945 Simon Forty, 2020-03-30 A pictorial history of Allied forces making their way through Italy in the final years of World War II featuring rare photos from wartime archives The Italian campaign was one of the most debated of World War II splitting the American and British allies and causing great disharmony After the fall of Rome and the surrender of Italy the invasion of Normandy led to the Italian campaign becoming a sideshow as the D Day Dodgers fought their way through Italy to the Alps against a grinding defense and extreme weather In a sequence of 200 wartime photographs Simon Forty sums up the major events of the conflict from the landings on Sicily to the crossing of the Po Commanded first by Sir Harold Alexander and then Mark Clark the Allied armies U S Fifth and British Eighth drew men not only from Britain the United States France and Poland but also from all over the Commonwealth from Australia Canada India New Zealand and South Africa as well as such other countries as Brazil Czechoslovakia Greece and Palestine The devastation caused by the war in the cities towns and countryside is part of the story but perhaps the most powerful impression is made

by the faces of the soldiers themselves as they look out from the Italian front of so long ago Another addition to the very popular Images of War series with a mass of outstanding and rare images The author covers campaigns in Sicily and Italy as the Allies slogged their way north using amphibious and airborne assault to bypass the German lines Very Highly Recommended Firetrench

Ageing with Smartphones in Urban Italy Shireen Walton, 2021-05-06 Who am I at this stage Where am I and where should I be and how and where should I live These questions which individuals ask themselves throughout their lives are among the central themes of this book which presents an anthropological account of the everyday experiences of age and ageing in an inner city neighbourhood in Milan and in places and spaces beyond Ageing with Smartphones in Urban Italy explores ageing and digital technologies amidst a backdrop of rapid global technological innovation including mHealth mobile health and smart cities and a number of wider socio economic and technological transformations that have brought about significant changes in how people live work and retire and how they communicate and care for each other Based on 16 months of urban digital ethnographic research in Milan the smartphone is shown to be a constant companion in of and for contemporary life It accompanies people throughout the day and night and through individual and collective experiences of movement change and rupture Smartphone practices tap into and reflect the moral anxieties of the present moment while posing questions related to life values and purpose identities and belonging privacy and sociability Through her extensive investigation Shireen Walton argues that ageing with smartphones in this contemporary urban Italian context is about living with ambiguity change and contradiction as well as developing curiosities about a changing world our changing selves and changing relationships with and to others Ageing with smartphones is about figuring out how best to live together differently

Before Central Park Sara Cedar Miller, 2022-06-28 Winner 2023 John Brinkerhoff Jackson Book Prize UVA Center for Cultural Landscapes With more than

eight hundred sprawling green acres in the middle of one of the world's densest cities Central Park is an urban masterpiece Designed in the middle of the nineteenth century by the landscape architects Frederick Law Olmsted and Calvert Vaux it is a model for city parks worldwide But before it became Central Park the land was the site of farms businesses churches wars and burial grounds and home to many different kinds of New Yorkers This book is the authoritative account of the place that would become Central Park From the first Dutch family to settle on the land through the political crusade to create America's first major urban park Sara Cedar Miller chronicles two and a half centuries of history She tells the stories of Indigenous hunters enslaved people and enslavers American patriots and British loyalists the Black landowners of Seneca Village Irish pig farmers tavern owners Catholic sisters Jewish protesters and more Miller unveils a British fortification and camp during the Revolutionary War a suburban retreat from the yellow fever epidemics at the turn of the nineteenth century and the properties that a group of free Black Americans used to secure their right to vote Tales of political chicanery real estate speculation cons and scams stand alongside democratic idealism the striving of immigrants and powerfully human lives Before Central Park shows how much of the history of early America is still etched upon the landscapes of Central Park today

The Porta Stabia Neighborhood at Pompeii Volume I Steven J. R. Ellis, Allison L. C. Emmerson, Kevin D. Dicus, 2023 This volume presents the results of archaeological excavations of the Porta Stabia neighborhood at Pompeii It investigates two town blocks on the via Stabiana comprising modest houses shops workshops and food and drink outlets describing and documenting the phased structural development of this neighborhood from the 6th century BCE *The ^AOxford Companion to American Food and Drink* Andrew F. Smith, 2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions **Walter Raleigh's History of the World and the Historical Culture of the Late Renaissance** Nicholas Popper, 2022-12-22 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh's History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From

Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe s intellectual and political regimes More than a mere study of Raleigh s History of the World Popper s book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England

Cyclescapes of the Unequal City John G. Stehlin, 2019-10-01 A critical look at the political economy of urban bicycle infrastructure in the United States Not long ago bicycling in the city was considered a radical statement or a last resort and few cyclists braved the inhospitable streets of most American cities Today however the urban cyclist represents progress and the urban renaissance City leaders now undertake ambitious new bicycle infrastructure plans and bike share schemes to promote the environmental social and economic health of the city and its residents Cyclescapes of the Unequal City contextualizes and critically examines this new wave of bicycling in American cities exploring how bicycle infrastructure planning has become a key symbol of and site of conflict over uneven urban development John G Stehlin traces bicycling s rise in popularity as a key policy solution for American cities facing the environmental economic and social contradictions of the previous century of sprawl Using in depth case studies from San Francisco Philadelphia and Detroit he argues that the mission of bicycle advocacy has converged with and reshaped the urban growth machine around a model of livable environmentally friendly and innovation based urban capitalism While advocates envision a more sustainable city for all the deployment of bicycle infrastructure within the framework of the neoliberal city in many ways intensifies divisions along lines of race class and space Cyclescapes of the Unequal City speaks to a growing interest in bicycling as an urban economic and environmental strategy its role in the politics of gentrification and efforts to build more diverse coalitions of bicycle advocates Grounding its analysis in both regional political economy and neighborhood based ethnography this book ultimately uses the bicycle as a lens to view major shifts in today s American city
