Riley, 2013-09-12 This powerful book exposes how gendered Orientalism is wielded to justify Western imperialism Over the last ten years Western governments and mainstream media have utilized concepts of white masculine supremacy and feminine helplessness juxtaposed with Orientalist images depicting women of color as mysterious sinister and dangerous to support war Oscillating between Mrs Anthrax female suicide bomber and tragic helpless victim representations of brown women have spawned both rescue narratives and terrorist alerts Examining media and pop culture from *Sex and the City 2* to *Vanity Fair* and *Time* magazine Robin Riley uses transnational feminist analysis to reveal how this kind of transnational sexism towards Muslim women in general and Afghan and Iraqi women in particular has led to a new form of gender imperialism

Anxious Days and Tearful Nights Martha Hanna, 2020-10-22 What was it like to be a soldier s wife in Canada during the First World War More than 80 000 Canadian women were married to men who left home to fight in the war and its effects on their lives were transformative and often

traumatic Yet the everyday struggles of Canadian war wives lived far from the battlefields of France have remained in the shadows of historical memory *Anxious Days and Tearful Nights* highlights how Canadian women's experiences of wartime marital separation resembled and differed from those of their European counterparts Drawing on the letters of married couples separated by wartime service and the military service records of hundreds of Canadian soldiers Martha Hanna reveals how couples used correspondence to maintain the routine and the affection of domestic life She explores how women managed households and budgets how those with children coped with the challenges of what we today would call single parenthood and when and why some war wives chose to relocate to Britain to be nearer to their husbands More than anything else the life of a war wife especially a war wife separated from her husband for years on end was marked and marred by unrelieved psychological stress Through this close personal lens Hanna reveals a broader picture of how war's effects persist across time and space
