**Jeffrey M. Shaw, Timothy J. Demy**

## **Propaganda And The Ethics Of Persuasion Propaganda And The Ethics Of Persuasion:**

*Propaganda and the Ethics of Persuasion - Second Edition* Randal Marlin, 2013-09-30 This book develops a sophisticated account of propaganda and its intriguing history It begins with a brief overview of Western propaganda including Ancient Greek theories of rhetoric and traces propaganda's development through the Christian era the rise of the nation state World War I Nazism Communism and the present day The core of the book examines the ethical implications of various forms of persuasion not only hate propaganda but also insidious elements of more generally acceptable communication such as advertising public relations and government information setting these in the context of freedom of expression This new edition is updated throughout and includes additional revelations about a key atrocity story of World War I Jacques Ellul on Violence, Resistance, and War Jeffrey M. Shaw, Timothy J. Demy, 2016-04-12 The last few decades seem to have ushered in new levels of violence challenging the notion that our globalized interconnected world offers increased prospects for cooperation and peace Many philosophers and theologians have offered various reasons for why this might be so but none has come so close as the French philosopher Jacques Ellul to providing a comprehensive explanation for many of the pitfalls inherent in increasing levels of technological advance The chapters in this book explore the phenomena of violence terrorism and war through the lens of Ellul's thought Readers unfamiliar with Ellul will find as much to consider in these chapters as those who have studied Ellul extensively and for both the novice and the expert this book offers an opportunity to both evaluate and reevaluate Ellul's extensive thought on matters of importance to contemporary society Ethics in Public Relations Patricia Houlihan Parsons, Patricia J. Parsons, 2004 Praise and Reviews This book on ethics is long overdue Thoughtful yet thoroughly practical it will help public relations professionals tussling with ethical dilemmas The ethical decision making models will be especially useful Mike Granatt FIPR Partner Luther Pendragon former Director General of the Government Information and Communications Service GICS Canada Ethical questions and dilemmas are inherent to public relations and ensuring that practitioners operate ethically is fundamental to the professionalism and credibility of the field *Ethics in Public Relations* gives readers the tools and knowledge to enable them to make defensible decisions and outlines the important ethical concerns in public relations and corporate communications Written in a practical and approachable style this is not another tome on ethical theory but rather a clear insight into the personal and professional issues that affect public relations practitioners It examines how an individual's sense of morality has an impact on decision making and ethical business behaviour Overall the purpose of *Ethics in Public Relations* is threefold to provide a framework for understanding important ethical issues in public relations and corporate communications now and in the future to help develop an attitude that supports the concept that ethics are key to professionalism and credibility in the field to assist in everyday ethical decision making Written by a leading academic in the field this practical and engaging title is a must have for any public relations practitioner or student who wants a framework that relates underlying ethical theories to everyday

issues     **Ethics in Human Communication** Richard L. Johannesen, Kathleen S. Valde, Karen E. Whedbee, 2008-01-09  
Broad in scope yet precise in exposition the Sixth Edition of this highly acclaimed ethics text has been infused with new insights and updated material Richard Johannesen and new coauthors Kathleen Valde and Karen Whedbee provide a thorough comprehensive overview of philosophical perspectives and communication contexts pinpointing and explicating ethical issues unique to human communication Chief among the authors objectives are to provide classic and contemporary perspectives for making ethical judgments about human communication sensitize communication participants to essential ethical issues in the human communication process illuminate complexities and challenges involved in making evaluations of communication ethics and offer ideas for becoming more discerning evaluators of others communication Provocative questions and illustrative case studies stimulate reflexive thinking and aid readers in developing their own approach to communication ethics A comprehensive list of resources spotlights books scholarly articles videos and Web sites useful for further research or personal exploration     Public Relations Ethics and Professionalism Johanna Fawkes, 2014-08-01 Do professions really place duty to society above clients or their own interests If not how can they be trusted While some public relations PR scholars claim that PR serves society and enhances the democratic process others suggest that it is little more than propaganda serving the interests of global corporations This is not an argument about definitions but about ethics yet this topic is barely explored in texts and theories that seek to explain PR and its function in society This book places PR ethics in the wider context of professional ethics and the sociology of professions By bringing together literature from fields beyond public relations sociology professional and philosophical ethics and Jungian psychology it integrates a new body of ideas into the debate The unprecedented introduction of Jungian psychology to public relations scholarship shifts the debate beyond a traditional Western Good Bad ethical dichotomy towards a new holistic approach with dynamic implications for theory and practice This thought provoking book will be essential reading for students academics and professionals with an interest in public relations ethics and professionalism     Strategic Communication Christopher Paul, 2011-04-07 This volume in the Contemporary Military Strategic and Security Issues series presents a concise introduction to the evolution key concepts discourse and future options for improved strategic communication in today s U S government Strategic Communication Origins Concepts and Current Debates is a groundbreaking study the first book explicitly focused on strategic communication as it is currently used and discussed in the U S government Written specifically for those who are new to strategic communication this incisive book clarifies the definitional debate explores the history of the term and its practice and embraces a broad practical definition But that is only the beginning Moving to the realities of the issue author Christopher Paul reviews dozens of government reports on strategic communication and public diplomacy released since 2000 examining specific proposals related to improving strategic communication in the U S government and explaining the disagreements Most important he offers consensus and clarity for the way ahead discussing how disparate elements of the government can

be coordinated to master and win the war of ideas through fully integrated and synchronized communications and actions

**Ethics and Professional Persuasion** Ralph D. Barney, 2003-07-30 Examining the applied media ethics question of professional persuasion this special double issue resulted from a colloquium and conference on allowable ethical limits of deception in professional persuasion Participants were invited to reason their way toward a threshold that would define acceptable deception for a professional persuader in pursuit of favorable market and public opinion conditions for a client As a whole this issue covers a broad range of views and expressions of opinion that often come close to defining the threshold between morally acceptable and morally outrageous persuasion Ethics in Public Relations Patricia J Parsons, 2016-04-03

The weight of social responsibility in public relations PR has never been more pronounced Ensure the professionalism and credibility of your business using the practical tips and guidance in this book written by a leading academic in the field and recommended for PR students and practitioners alike Ethical practice in any professional discipline is guided by age old philosophical perspectives but its modern parameters are continually evolving Ongoing developments in technology social media and social contexts mean that public relations and its practices are constantly changing and so do the ethical questions faced by practitioners in the field Face the ethical questions and dilemmas that are inherent to public relations and ensure you practice across the public relations spectrum in an ethical and socially responsible manner with this fully updated guide packed with useful tools and insights to support those in PR and corporate communications Engaging and accessible Ethics in Public Relations offers a lively exploration of the key ethical concerns present in the public relations world today written by an accredited academic with over 26 years professional experience in the field Fully updated this third edition includes an entirely new chapter on the uses of ethics in social media covering topical issues such as blogger engagement and the relationship between employee social media activity and organizational reputation The Echoing Mind Pasquale De Marco, 2025-04-18 In the tapestry of human psychology cognitive dissonance stands as a captivating paradox a persistent tension between our beliefs attitudes and behaviors This intriguing phenomenon exerts a profound influence on our decision making our relationships and our very understanding of the world around us Within the pages of this book we embark on a journey to unravel the enigma of cognitive dissonance We delve into the depths of human cognition to explore the factors that ignite its flame such as conflicting information inconsistent behavior and the relentless pursuit of harmony We examine the diverse strategies we employ to resolve this inner turmoil from altering our beliefs to modifying our actions Cognitive dissonance is a universal experience affecting individuals from all walks of life It manifests itself in myriad ways shaping our choices molding our interactions and influencing our perception of reality In this book we uncover the intricate workings of cognitive dissonance shedding light on its pervasive presence in our lives Through captivating real world examples and cutting edge research we explore the multifaceted nature of cognitive dissonance We investigate its role in motivation revealing how it can spur us to action or paralyze us with indecision We delve into the realm of persuasion uncovering the

techniques that leverage cognitive dissonance to change minds and influence behavior We dissect the complexities of relationships examining how cognitive dissonance can both strengthen and strain our bonds with others The Echoing Mind is an indispensable guide to understanding cognitive dissonance and its profound impact on our lives With clarity and precision this book unravels the intricate web of human cognition empowering readers to recognize and navigate the challenges posed by cognitive dissonance Whether you are a student of psychology a seasoned professional or simply an individual seeking a deeper understanding of the human condition this book will captivate your mind and expand your perspective Join us as we embark on this enlightening journey into the echoing chambers of the human psyche If you like this book write a review on google books

*Routledge Handbook of Public Diplomacy* Nancy Snow, Nicholas J. Cull, 2020-01-20 The second edition of the Routledge Handbook of Public Diplomacy co edited by two leading scholars in the international relations subfield of public diplomacy includes 16 more chapters from the first Ten years later a new global landscape of public diplomacy has taken shape with major programs in graduate level public diplomacy studies worldwide What separates this handbook from others is its legacy and continuity from the first edition This first edition line up was more military focused than this edition a nod to the work of Philip M Taylor to whom this updated edition is dedicated This edition includes US content but all case studies are outside the United States not only to appeal to a global audience of scholars and practitioners but also as a way of offering something fresher than the US UK centric competition In Parts 1 4 original contributors are retained many with revised editions but new faces emerge Parts 5 and 6 include 16 global case studies in public diplomacy expanding the number of contributors by ten The concluding part of the book includes chapters on digital and corporate public diplomacy and a signature final chapter on the noosphere and noopolitik as they relate to public diplomacy Designed for a broad audience the Routledge Handbook of Public Diplomacy is encyclopedic in its range and depth of content yet is written in an accessible style that will appeal to both undergraduate and postgraduate students
