

The Principle of Proportionality in International Law

Thomas Cottier, Roberto Echandi, Rafael Leal-Arcas, Rachel Liechti, Tatjana Petrova,
Charlotte Sieber-Gasser

Abstract

Whilst the principle of proportionality indisputably plays a crucial role in the protection of fundamental rights, it is still unclear to what extent it applies to other fields in international law. The paper therefore explores the role it plays in selected fields of public international law, beyond human rights. The examination begins in the classical domain of reprisals and in maritime boundary delimitation and continues to analyse the role played in the law of multilateral trade regulation of the World Trade Organization and in bilateral investment protection. In an attempt to explain differences in recourse to proportionality in the various fields, we develop in our conclusions a distinction between horizontal and vertical constellations of legal protection.

Research for this paper was funded by the Swiss National Science Foundation under a grant to the National Centre of Competence in Research on Trade Regulation, based at the World Trade Institute of the University of Bern, Switzerland.

NCCR TRADE WORKING PAPERS are preliminary documents posted on the NCCR Trade Regulation website (www.nccr-trade.org) and widely circulated to stimulate discussion and critical comment. These papers have not been formally edited. Citations should refer to an "NCCR Trade Working Paper", with appropriate reference made to the author(s).

Proportionality In International Law

Jeroen Christiaan van den Boogaard

Proportionality In International Law:

Proportionality in International Law Michael Newton, Larry May, 2014-03-10 Proportionality is intimately linked to the overarching concepts of self defense lawful force and the controlled application of violence It is one of the most visible facets of humanitarian law designed to reduce unnecessary human suffering and avoid excessive damage to property and the natural environment However its application has come under renewed scrutiny and sustained controversy as a result of wars against non state actors and from the extensive use of drones human shields cyber war techniques and counterinsurgency tactics Proportionality in International Law critically assesses the law of proportionality in normative terms combining abstract philosophical and legal analysis with highly emotive contemporary combat cases The principle of proportionality permits actions that are logically linked to the intended goal and thus defines the permissible boundaries for the initiation and conduct of modern wars The case studies discussed in this book are predominantly from the perspective of those who make decisions in the midst of armed conflict bringing analytic rigor to the debates as well as sensitivity to facts on the ground The authors analyze modern usages of proportionality across a wide range of contexts enabling a more complete comprehension of the values that it preserves This book contrasts the applications of proportionality in both jus ad bellum the law and morality of resort to force and within jus in bello the doctrines applicable for using force in the midst of conflicts Proportionality in International Law provides the reader with a unique interdisciplinary approach offering practitioners and policymakers alike greater clarity over how proportionality should be understood in theory and in practice *Proportionality in International Humanitarian Law* Amichai Cohen, David Zlotogorski, 2021-01-18 In Proportionality in International Humanitarian Law Amichai Cohen and David Zlotogorski offer a fresh and comprehensive look at the principle of proportionality They discuss various areas in which there are disagreements over the way in which proportionality should be applied and offer original solutions to existing debates Moreover they suggest that when applying proportionality the focus of the analysis should be on the procedures leading to the attack and the precautions taken by the attacking force They also discuss the course states should follow in investigating possible violations of the principle *Necessity and Proportionality in International Peace and Security Law* Claus Kreß, Robert Lawless, 2021 There are legal limits on the circumstances under which states may use military force to address a perceived or actual threat The concepts of necessity and proportionality are central to these limitations imposed by the law Necessity and Proportionality in International Peace and Security Law explores the many ways in which necessity and proportionality arise in the law on the modern battlefield which is rapidly changing complex and ambiguous *Revisiting Proportionality in International and European Law* Ulf Linderfalk, Eduardo Gill-Pedro, 2021-05-12 This book casts new light on the application of the principle of proportionality in international law Proportionality is claimed to play a central role in governing the exercise of public power in international law and has been presented as the ultimate rule of law It has also been the subject of fierce criticism it is argued that it leads to unreflexive

and arbitrary application of the law and deprives rights of their role as a firewall protecting individuals But the debate on proportionality has tended to focus on the question of how proportionality should be carried out Much less attention has been devoted to the question of who This edited volume bring together scholars from a wide range of areas of international law to consider that question whose interests are at stake when courts and other legal authorities apply the principle of proportionality In so doing this volume casts new light on the role which proportionality can play in international law in shaping and modulating the power relations between the different entities governed by it

Proportionality in International Humanitarian Law Jeroen van den Boogaard, 2023-08-17 This book pleads for a refocus of the International Humanitarian Law proportionality rule to enhance civilian protection

Necessity, Proportionality and the Use of Force by States Judith Gardam, 2004-11-18 There has been considerable debate in the international community as to the legality of the forceful actions in Kosovo in 1999 Afghanistan in 2002 and Iraq in 2003 under the United Nations Charter There has been consensus however that the use of force in all these situations had to be both proportional and necessary Against the background of these recent armed conflicts this 2004 book offers the first comprehensive assessment of the twin requirements of proportionality and necessity as legal restraints on the forceful actions of States It also provides a much needed examination of the relationship between proportionality in the law on the use of force and international humanitarian law

Irresolvable Norm Conflicts in International Law Valentin Jeutner, 2017 Many are familiar with the concept of a moral dilemma a situation where a person faces a choice between two mutually exclusive actions This book considers whether situations of this kind could and should exist within the sphere of international law

Proportionality in International Humanitarian Law Jeroen Christiaan van den Boogaard, 2019 Het onderwerp van dit proefschrift is het beginsel van proportionaliteit binnen het humanitair oorlogsrecht

HOR The Margin of Appreciation Doctrine and the Principle of Proportionality in the Jurisprudence of the ECHR Yutaka Arai-Takahashi, Yutaka Arai, 2002 5 2 3 Burden of Proof

International Law on Peacekeeping Hitoshi Nasu, 2009 It is generally considered that the UN Security Council has been galvanised since the end of the Cold War However the existence and development of armed conflicts remain the reality in the international scene Is the upsurge in instances of invoking Chapter VII of the UN Charter truly a sign of the invigoration of the Security Council's authority or mere evidence of its failure to prevent the aggravation of armed conflicts To what extent is the Security Council authorised to exercise the peacekeeping power in order to take a more flexible approach to conflict management from an earlier stage of conflict This book explores the potential of the UN peacekeeping power placing Article 40 of the UN Charter at the centre of the legal regime governing peacekeeping measures It traces the origins of peacekeeping measures primarily in the experience of the League of Nations and identifies Article 40 of the Charter as the primary legal basis for and the legal restraints upon the exercise of the peacekeeping power It examines the regulatory framework within which the United Nations particularly the Security Council is authorised and may even be

required to direct peacekeeping measures to prevent the aggravation of armed conflicts It suggests that the legal accountability of the Security Council in directing peacekeeping measures will be enhanced by utilising procedural mechanisms for self regulation

Decoding **Proportionality In International Law**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Proportionality In International Law Introduction

In today's digital age, the availability of Proportionality In International Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Proportionality In International Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Proportionality In International Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Proportionality In International Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Proportionality In International Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Proportionality In International Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Proportionality In International Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Proportionality In International Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Proportionality In International Law books and manuals for download and embark on your journey of knowledge?

FAQs About Proportionality In International Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Proportionality In International Law is one of the best book in our library for free trial. We provide copy of Proportionality In International Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Proportionality In International Law. Where to download Proportionality In International Law online for free? Are you looking for Proportionality In International Law PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However

without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Proportionality In International Law. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Proportionality In International Law are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Proportionality In International Law. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Proportionality In International Law To get started finding Proportionality In International Law, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Proportionality In International Law So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Proportionality In International Law. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Proportionality In International Law, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Proportionality In International Law is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Proportionality In International Law is universally compatible with any devices to read.
