Be Inspired Every Day Alexis Hudson, 2022-08-08 **Be Inspired Every Day The Change Is You** By Alexis Hudson **Be Inspired Every Day** is Alexis Hudson's personal journey of dealing with loss and depression. Alexis lost both of her parents six months apart. At the tender age of 27, she was going through the toughest time of her life when she started this book, which is filled with true emotions. Her tears fell on every piece of paper while writing. **Be Inspired** is about real life hurt, pain, love, and change. Its purpose is to uplift people who are going through depression and feel like giving up, and it is her job to provide the book that will change many readers' mindsets, letting them know it's okay, but it's up to you to change your life around for the better with love, peace, and light.

Love Yourself to Be Loved Tatiana Busan, 2024-11-25 Are you losing your dignity for a man? Do you feel worthless? Do you feel like you're not good enough for the man you love, like you don't measure up to his standards? When you have low self-esteem, you tend to be needy and desperate for a man. What you need to understand is that if you don't respect yourself, a man will never respect you. If you feel that you are not attractive enough, smart enough, confident enough, charming enough, or interesting enough, then you have very low self-esteem. If you don't learn to deal with your insecurities, you risk becoming dependent on a man. Insecurity is an inner feeling that makes you believe you are unloved, worthless, and unworthy of love, and it is harmful to your relationship. Actions that stem from insecurity, such as the need for constant reassurance, jealousy, accusations, and the need to control, destroy trust, are unattractive and can drive a man away. A woman with low self-esteem may feel insecure in a relationship because she anticipates rejection and abandonment. Loving a man does not mean forgetting to love yourself. When you don't love yourself, you are likely to settle for less than you deserve. To attract love, you must believe that you are worthy of love. If you cannot love yourself, how can you love another person? The path to self-love and self-esteem is the most important and valuable one you can take. It's time to make yourself your priority, the key to happiness, and a lasting loving relationship lies in taking care of yourself and loving yourself. This book is the key to valuing yourself and loving yourself more every day, to creating healthier and more satisfying relationships.
