The Promise of Reconciliation? Chaiwat Satha-Anand, 2017-07-05 The Promise of Reconciliation explores the relationship between violence nonviolence and reconciliation in societal conflicts with questions such as In what ways does violence impact the reconciliation process that necessarily follows a cessation of deadly conflict Would an understanding of how conflict has been engaged with violence or nonviolence be conducive to how it could be prevented from sliding further into violence The contributors examine international influences on the peace reconciliation process in Indonesia's Aceh conflict as well as the role of Muslim religious scholars in promoting peace They also examine the effect of violence in southern Thailand where insurgent violence has provided leverage during the fighting but negatively affects post conflict objectives The chapter on Sri Lanka shows that successful violence does not necessarily end conflict Sri Lankan society today is more polarized than it was before its civil war The Vietnam chapter argues that the rise of nonviolent protest in Vietnam reflects a profound loss of state

legitimacy which cannot be resolved with force while another chapter on Thailand examines Red Sunday a Thai political movement engaged in nonviolent protest in the face of violent government suppression The book ends with a look at Indonesian cities sites of ethnic conflicts as potential abodes of peace if violence can be curtailed

China's Evolving Approach to Peacekeeping Marc Lanteigne, Miwa Hirano, 2013-09-13 China has become an enthusiastic supporter of and contributor to UN peacekeeping Is China's participation in peacekeeping likely to strengthen the current international peacekeeping regime by China's adopting of the international norms of peacekeeping Or on the contrary is it likely to alter the peacekeeping norms in a way that aligns with its own worldview And as China's international confidence grows will it begin to consider peacekeeping a smaller and lesser part of its international security activity and thus not care so much about it This book aims to address these questions by examining how the PRC has developed its peacekeeping policy and practices in relation to its international status It does so by bringing in both historical and conceptual analyses and specific case oriented discussions of China's peacekeeping over the past twenty years The book identifies the various challenges that China has faced at political conceptual and operational levels and the ways in which the country has dealt with those challenges and considers the implication of such challenges with regards to the future of international peacekeeping This book was originally published as a special issue of International Peacekeeping
