

PSAT/NMSQT®

Preliminary SAT
National Merit Scholarship Qualifying Test

**SATURDAY,
October 20,
2007**

Write in the answer
bubble area on the test form for every
test question, and
bubble properly.

Reading The PSAT/NMSQT has five sections. The first two 35-minute parts are Sections 1-2 and 35 minutes for Section 3.

Writing The third 35-minute section, *written-response*, gives you eight questions, each with a prompt and a topic. You choose one and write an answer. You are given 30 minutes to answer the first prompt. You are encouraged to do as many questions as you can, but you will lose any points.

Language The fourth 35-minute section contains 20 questions, plus an extended-response question. All questions are in English, except for one that is in Spanish. If you don't understand any question, move on. Instructions for the extended-response are at the end of the test.

Mathematics The fifth 35-minute section contains 30 questions, plus an extended-response question. Section rules are explained in parts and questions like this one. If you make an error, correct it. You may use a calculator. But you will lose points for anything you write there.

Writing Samples You may choose one topic or a particular sentence you like in Section 3, write a paragraph, and you may add details and other sections.
