Talking Book Topics, 2021 **The Torso** Helene Tursten, 2007-04-01

The chilling third installment in the critically acclaimed Detective Inspector Huss series. A partial torso washes up on a Swedish beach, so mutilated that gender is only established through DNA testing. Detective Inspector Irene Huss of the Göteborg Police liaises with her Danish counterparts who have a similar unsolved murder in their files. But when people connected to Irene start turning up dead, she fears she might be next.

The Golden Calf Helene Tursten, 2013-02-05

In this fifth installment in the critically acclaimed Irene Huss series, three men are found brutally executed in one of Göteborg's most fashionable neighborhoods. All three men were involved in an online poker company, but that's all they appear to have in common. The complex investigation immerses Detective Inspector Irene Huss and her colleagues into a world of expensive cars, fancy homes, and impressive castles in the air. Meanwhile, the normally peaceful atmosphere of the Huss family is disturbed by marital tension as Irene suspects her husband Krister of having an affair with a younger woman.

The Glass Devil Helene Tursten, 2007-04-01

The fourth investigation in the nationally bestselling Swedish detective series. When one of his teachers fails to show up for work, a high school principal calls his friend on the Göteborg police force. To Detective Inspector Irene Huss's surprise, her boss takes the complaint seriously, even bringing her with him to a remote cottage in southern Sweden to investigate. There they discover the body of the teacher in question, victim of a rifle shot to the head. When they visit his parents to break the news, they find the couple dead in their bed, each shot between the eyes. The family's sole surviving member, their daughter in London, is too grief-stricken for questioning. A swath of suspects arises as Irene investigates, but she has a hunch the answers to this case lie in England.

Who Watcheth Helene Tursten, 2016-12-06

These days Scandinavian crime writers are thick on the ground. It's nice to see that the women can be just as bloodthirsty as the men. The New York Times Book Review: He watches the women from the shadows. He has an understanding with them. As long as they follow his rules, they are safe. But when they sin, he sentences them to death. A woman is found dead in a cemetery, strangled and covered in plastic. Just a few days before her death, the victim had received a flower, an unintelligible note, and a photograph of herself. Detective Inspector Irene Huss and her colleagues on the Violent Crimes Unit in Göteborg, Sweden, have neither clue nor motive to pursue, and when similar murders follow, their search for the killer becomes increasingly desperate. Meanwhile, strange things have been going on at home for Irene: first the rose bush in her garden is

mangled then she receives a threatening package with no return address Is Irene being paranoid or is she next on the killer's list

The Treacherous Net Helene Tursten, 2015-12-15 It's May and the snow has hardly melted in Göteborg Sweden but things are heating up quickly for Detective Inspector Irene Huss in the Violent Crimes Unit The body of a teenage girl is found in the woods naked and horrifically scarred Then there's the mummified body that is discovered bricked up in a chimney on a demolition site not to mention the city's ongoing problem with gang violence With the sudden influx of cases and one detective out on maternity leave everyone is stretched thin To make matters worse Irene feels more than a little intimidated by the new superintendent Efva Thylqvist who uses her sex appeal and smooth talking to bend the predominately male staff to her will Then a second young girl is found wearing what appears to be the other half of the sexy lingerie set recovered near the first body Fearing the two cases are linked and that the killer may strike again Irene and her colleagues embark on a desperate hunt that takes them deep into a shadowy world of anonymous online predators and insecure teenage girls on a deadly quest for affirmation
