Book Human Torpedo Tim Winton:

Lockie Leonard, Human Torpedo Tim Winton,1990 *Transcending Boundaries* Sandra L. Beckett,2013-10-11

Transcending Boundaries Writing for a Dual Audience of Children and Adults is a collection of essays on twentieth century authors who cross the borders between adult and children s literature and appeal to both audiences This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults It considers classics such as Alice s Adventures in Wonderland and Pinocchio with particular emphasis on post World War II literature The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise

Books in the Life of a Child Maurice Saxby,1997-10-15 *Books in the Life of a Child* explores the value of books and reading in the stimulation of children s imagination and their fundamental importance in the development of language and true literacy It examines not only the vast range of children s books available but also how to introduce young people to the joys of reading in the home the school and in the community The book has been written as a resource for all adults especially teachers student teachers librarians and parents and those who care about the value of literature for children It is a comprehensive and critical guide with chapters on the history of children s literature and an analysis of its many forms and genres from poetry fairytale myth legend and fantasy through realistic and historical fiction to humour pulp fiction and information books

Cloudstreet by Tim Winton Sarah Rutherford,2001 *The Fiction of Tim Winton* Lyn McCredde,2017-02-08 In *The Fiction of Tim Winton* Lyn McCredde explores the work of a major Australian author who bridges the literary popular divide Tim Winton has won the Miles Franklin Literary Award a record four times and has twice been shortlisted for the Man Booker Prize His novels and short stories are widely studied in schools and universities and have been lauded by critics both in Australia and internationally Unusually for an Australian literary author he is also one of the country s most enduringly popular writers *Cloudstreet* was voted Australia s favourite book in a poll conducted by the ABC his books regularly appear on bestseller lists and his stories have been adapted for the stage television cinema and opera In this wide ranging study of Winton s work and career McCredde considers how Winton has sustained a strong mainstream following while exploring complex themes and moving between genres Attending to both

secular and sacred frames of reference she considers his treatment of class gender place landscape and belonging and shows how a compassion for human falling and redemption permeates his work She demonstrates how his engagement with these recurring ideas has deepened and changed over time and how he has moved between and challenged the categories of the popular and the literary

Sand In Our Souls Leone Huntsman,2013-05-09 Images of the beach pervade Australian popular culture However the deeper significance of the experience of the beach and its influence on Australian culture generally have not yet been seriously explored How why and when did the beach become part of the Australian way of life In Sand in our Souls Leone Huntsman describes the forces and pressures that encouraged or impeded Australians enjoyment of sand and surf from early enjoyment of bathing through nearly a century of repressive restrictions to freedom won in the face of drawn out opposition The ways in which artists writers film makers and the advertising industry have depicted the beach are examined for the light they throw on the beach s significance She traces the development of a distinctively Australian way of being at the beach suggesting that the beach experience has been absorbed into our emerging culture and continues to shape it in subtle ways Huntsman s provocative arguments will stimulate debate on the concept of national identity appropriate for a new Australian century and promote a deeper understanding of an aspect of life in Australia that is cherished by many of those who live here
