Metroimperial Intimacies Victor Román Mendoza, 2015-11-27 In *Metroimperial Intimacies* Victor Román Mendoza shows how America's imperial incursions into the Philippines fostered social and sexual intimacies between Americans and native Filipinos that along with representations of Filipinos as sexually degenerate were crucial to regulating both colonial subjects and gender norms at home

Filipinx American Studies Rick Bonus, Antonio Tiongson, 2022-06-07 This volume spotlights the unique suitability and situatedness of Filipinx American studies both as a site for reckoning with the work of historicizing U.S. empire in all of its entanglements as well as a location for reclaiming and theorizing the interlocking histories and contemporary trajectories of global capitalism racism sexism and heteronormativity It encompasses an interrogation of the foundational status of empire in the interdisciplinary modes of labor analysis and other forms of knowledge production meaning making in relation to language identities time and space the critical contours of Filipinx American schooling and political activism the indispensability of relational thinking in Filipinx American studies and the disruptive possibilities of Filipinx American formations A catalogue of key resources and a selected list of scholarship are also provided Filipinx American Studies constitutes a coming to terms with not only the potentials and possibilities but also the disavows silences and omissions that mark Filipinx American studies It provides a reflective and critical space for thinking through the ways Filipinx American studies is uniquely and especially suited to the interrogation of the ongoing legacies of U.S. imperialism and the urgencies of the current period Contributors Karin Aguilar San Juan Angelica J. Volume 2 Victor Bascara, Josephine Nock-Hee Park, 2021-06-17 Leading scholars provide illuminating and engaging perspectives on a long neglected yet incredibly eventful period 1930-1965 of Asian American literature

Transtopia in the Sinophone Pacific Howard Chiang, 2021-04-06 As a broad category of identity transgender has given life to a vibrant field of academic research since the 1990s Yet the Western origins of the field have tended to limit its cross-cultural scope Howard Chiang proposes a new paradigm for doing transgender history in which geopolitics assumes central importance Defined as the antidote to transphobia transtopia challenges a minoritarian view of transgender experience and makes room for the variability of transness on a historical continuum Against the backdrop of the Sinophone Pacific Chiang argues that the concept of transgender identity must be rethought beyond a purely Western frame At the same time he challenges China

centrism in the study of East Asian gender and sexual configurations Chiang brings Sinophone studies to bear on trans theory to deconstruct the ways in which sexual normativity and Chinese imperialism have been produced through one another Grounded in an eclectic range of sources from the archives of sexology to press reports of intersexuality films about castration and records of social activism this book reorients anti transphobic inquiry at the crossroads of area studies medical humanities and queer theory Timely and provocative *Transtopia in the Sinophone Pacific* highlights the urgency of interdisciplinary knowledge in debates over the promise and future of human diversity

Crip Colony Sony Coráñez Bolton, 2023-01-16 In *Crip Colony* Sony Cor ez Bolton examines the racial politics of disability mestizaje and sexuality in the Philippines Drawing on literature poetry colonial records political essays travel narratives and visual culture Cor ez Bolton traces how disability politics colluded with notions of Philippine mestizaje He demonstrates that Filipino mestizo writers in the late nineteenth and early twentieth centuries used mestizaje as a racial ideology of ability that marked Indigenous inhabitants of the Philippines as lacking in civilization and in need of uplift and rehabilitation Heteronormative able bodied and able minded mixed race Filipinos offered a model and path for assimilation into the US empire In this way mestizaje allowed for supposedly superior mixed race subjects to govern the archipelago in collusion with American imperialism By bringing disability studies together with studies of colonialism and queer of color critique Cor ez Bolton extends theorizations of mestizaje beyond the United States and Latin America while considering how Filipinx and Filipinx American thought fundamentally enhances understandings of the colonial body and the racial histories of disability

Close Encounters Allison Wells (PhD), 2020 *Close Encounters Romantic and Sexual Relationships between Americans and Filipinos in the American Empire 1898 1946* uses interracial intimacies between Americans and Filipinos in both the U S and the Philippines to explore the relationship between immigration and imperialism in the early 20th century It is a history of the broader United States attending to the transnational connections between the U S and the world This multifaceted project analyzes interracial intimacies on three levels as intimacies between individuals as a social problem and as a metaphor for the imperial relationship Bringing together these strands of inquiry I trace the actions of individuals their coverage in newspapers and fiction and the ways the U S imperial bureaucracy dealt with them Each chapter traces the significance of interracial intimacies to various aspects of the imperial relationship between the U S and the Philippines revealing how such intimacies are integral to understanding imperialism and the ways people experienced it

Dangerous Intercourse Tessa Winkelmann, 2023-01-15 In *Dangerous Intercourse* Tessa Winkelmann examines interracial social and sexual contact between Americans and Filipinos in the early twentieth century via a wide range of relationships from the casual and economic to the formal and long term Winkelmann argues that such intercourse was foundational not only to the colonization of the Philippines but also to the longer uneven history between the two nations Although some relationships between Filipinos and Americans served as demonstrations of US benevolence too close sexual relations also threatened social hierarchies and the

so called civilizing mission For the Filipino Indigenous Moro Chinese and other local populations intercourse offered opportunities to negotiate and challenge empire though these opportunities often came at a high cost for those most vulnerable Drawing on a multilingual array of primary sources *Dangerous Intercourse* highlights that sexual relationships enabled US authorities to police white and nonwhite bodies alike define racial and national boundaries and solidify colonial rule throughout the archipelago The dangerous ideas about sexuality and Filipina women created and shaped by US imperialists of the early twentieth century remain at the core of contemporary American notions of the island nation and indeed of Asian and Asian American women more generally *U.S. Imperialism and Revolution in the Philippines* E.San Juan, Jr.,2008-07-03 Please note this is a Palgrave to Order title PTO Stock of this book requires shipment from an overseas supplier It will be delivered to you within 12 weeks This book offers the first history of the Filipinos in the United States focusing on the significance of the Moro people s struggle for self determination
