Volume 2. The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Daniel Charlene R. Fortsch, Erica Dissler, 2005-10. Some dreams or visions if they are symbolic in nature require an interpretation. This unique book Daniel: Understanding the Dreams and Visions unlocks and explains the structure and mysteries of the prophecies in the book of Daniel. It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible. Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms/empires many centuries in advance. The truths of these prophecies have withstood every attack from every scholar and skeptic. According to the Talmud and the Hebrew Scriptures, Daniel received and interpreted dreams and visions similar to many other Jewish prophets. This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords, maps, pictures, illustrations, charts, tables, and secular historical records. The Author adds comments only where necessary. An understanding of the Old Testament book of Daniel will set the foundation for a better understanding of the prophecies in the book of Revelation. In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events. The object of this book is to clarify the

symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel For as Jesus said And now I have told you before it come to pass that when it is come to pass ye might believe JOHN 14 29 Take heed that no man deceive you Matt 24
