authority in God and how to depend on God's Word to achieve success and live a peaceful life according to God's instructions. Learning their spiritual birthright, their legal inheritance, and God-given authority as little children will be a lifelong game changer. Target Age Summary: We chose to begin with children as young as three because this content is suitable for biblical instruction at this stage in life. Starting Bible instructions early is spiritually advantageous. By the end of each session, children who are able to compose a single short sentence can use the one-sentence writing tasks to help them remember what they have learned. Even if your child cannot write, they can still benefit from this curriculum. Why? Because there are more than 40 interactive direct links to new, enjoyable, engaging, uplifting, and amusing Bible-based songs, as well as some Bible character stories suitable for ages 3-9. Children who can write one brief sentence or who are nine years of age or older will enjoy the short sentence writing portion of the session. The purpose of the writing task is to reinforce the lesson content. To appreciate those exercises and the freehand drawing or picture drawing instructions in this Bible study, they don't need to be able to write. All of the previously mentioned ages can optimally utilize the 52 lessons and gain from the interactive children's based songs, biblical learning materials, and activity links without being able to write. Resiliency: The studies also emphasize teaching students how to recover and avoid becoming caught in negative thoughts or mindsets, as well as reminding them that God's love, power, promises, and presence are available to them 24 hours a day, seven days a week. These are the elements that tie this book together. We want young children to understand that Jesus came to earth to be our Savior after leaving His wonderful heavenly home, which was surrounded by boundless splendor and love. Elevated above all, He now sits in majesty at the right hand of God the Father. Jesus was, is, and always will be the unbeatable hero, the unwavering defender of every child. He is their protector, their source of inspiration, and the Savior who has an unwavering eternal love for them. Nobody will ever defend or honor children the way Jesus did. Our young ones need to have this knowledge.
