An Intertextual Commentary to the Psalter David Emanuel,2022-09-07 When reading the Psalter the sequencing of individual psalms is often overlooked or taken for granted and it is easy to assume that the psalms placement results purely from happenstance The present volume however assumes that strategic approaches to juxtaposition which editors and arrangers apply elsewhere in the Hebrew Bible were similarly adopted in the arrangement of the Psalter Furthermore the Intertextual Commentary illuminates the vast array of biblical texts employed by the psalmists In addition to the commonly recognized literary tool kit available to biblical poets parallelism metaphor anthropomorphism chiasmus etc the poets relied heavily on inner biblical allusion and exegesis to construct their compositions Primarily adopting a diachronic approach Emanuel isolates literary sources employed by the psalmists and further postulates how the psalmists wove specific words and phrases into the fabric of their compositions

Transformative Time Travel Jay S. Lowder,2024-10-31 Some words belong together But what about these Christian Non fiction Time travel Is that surprising Christians should engage in mental time travel each day Their minds should travel back to the cross of Jesus which should impact their choices today Then their minds should travel forward to the return of Jesus and have increased hope That is biblical meditation thinking about God s truths and then living a hope filled life But what happens when we do it wrong time traveling in fearful worried ways to the terrible future we can imagine Or what if readers fail to time travel to the future to be alert They may even live an undisciplined life today because they do not meditate on their tomorrows enough This book is more than just a book it s a biblical time travel guide It connects readers daily experiences with how God wants them to think about their past and future Readers will be surprised how many of their struggles are linked to their time travel skills What a victorious life awaits as readers learn to enjoy transformative time travel
